U.S. House of Representatives
1236 Longworth House Office Building

The Honorable Kevin McCarthy
Minority Leader
U.S. House of Representatives
2468 Rayburn House Office Building
Washington, D.C. 20515

Dear Speaker Pelosi and Minority Leader McCarthy:

The undersigned groups, representing a broad cross-section of agriculture and its allies, urge you to advance the Farm Workforce Modernization Act (H.R. 5038) through the House to address the labor crisis facing American agriculture. A stable, legal workforce is needed to ensure farmers and ranchers have the ability to continue producing an abundant, safe, and affordable food supply.

The effects of agriculture's critical shortage of labor reach far beyond the farm gate, negatively impacting our economic competitiveness, local economies, and jobs. Economists have found that every farm worker engaged in high-value, labor-intensive crop and livestock production sustains two to three off-farm jobs. As foreign producers take advantage of our labor shortage and gain market share, America will export not only our food production but also thousands of these farm-dependent jobs. Securing a reliable and skilled workforce is essential, not only for the agricultural industry but for the U.S. economy as a whole.

The House must pass legislation that preserves agriculture's experienced workforce by allowing current farm workers to earn legal status. For future needs, legislation must include an agricultural worker visa program that provides access to a legal and reliable workforce moving forward. This visa program needs to be more accessible, predictable, and flexible to meet the needs of producers, including those with year-round labor needs, such as dairy and livestock which currently do not have meaningful access to any program.

While the bill does include a few provisions that raise significant concerns for the agricultural community, we are committed to working together throughout the legislative process to fully address these issues. It is vital to move the Farm Workforce Modernization Act (H.R. 5038) through the House as a significant step in working to meet the labor needs of agriculture, both now and in the future.

Sincerely,
