

ST. ROSE OF LIMA
CATHOLIC SCHOOL

Technology Acceptable Use Policy Agreement

Your child has the opportunity to access the technology resources at St. Rose of Lima Catholic School. With this educational opportunity also comes responsibility. It is important you and your child/ren read the enclosed Technology Acceptable Use Policy and discuss it together.

When your child is given an account and a password to use on the computer, it is extremely important that the rules be followed. Failure to follow the rules will result in the loss of the privilege to use this educational tool.

Remember that you are legally responsible for your child/ren's actions. Please stress to your child/ren the importance of using only his or her own account and password, and the importance of keeping it a secret from other students. Under NO circumstances should your child let anyone else use his or her account and password!

Although we have established acceptable use of policies and filters on our server, please be aware that there may be unacceptable material or communication on the Internet that your child can access. We cannot control materials available on other computer systems.

After you have read and discussed this with you child/ren, both you and your child/ren sign the agreement below.

As a parent/guardian and student/s of St. Rose of Lima Catholic School, we have read the information in the handbook on the appropriate use of technology at school and we understand this agreement will be kept on file. I further agree and understand this privilege may be revoked at any time.
