

CITY-BY-CITY PLANS FOR LOSST REVENUE

City	Estimated Proceeds	Property Tax Rate Change	From/To	Other Uses
Bondurant	\$866,000	- \$1.95 (60 percent of proceeds)	\$13.73549 to \$11.78549	Street improvements, other public infrastructure and capital needs
Clive	\$1.7 million	Avoid a 65-cent rate increase that would otherwise be needed for new public safety building	NA	Streets, greenbelt improvements, storm water management
Grimes	\$1.6 million	- \$1.00	\$12.81 to \$11.81	Public safety facilities, library improvements, park and trail improvements, and other lawful purposes
Johnston	\$3.25 million	- \$1.00	\$11.65 to \$10.65	Public safety expenditures, public infrastructure, public parks, sports and recreational facilities and trails, and public library uses
Urbandale	\$5.3 million	One action the City Council can take is to pay off existing city debt with LOSST revenue received in the first half of 2020, using 100% of those funds for property tax relief by immediately decreasing the property tax rate by 36 cents	NA	Infrastructure and quality of life projects like improvements to streets, storm sewers, parks, trails, public facilities and equipment.
