

Take Action Entrepreneur Empowerment Series

Presented by LiftFund Houston's Young Professionals Network in partnership with the Houston Northwest Chamber of Commerce Financial University.

Attention Small Business Owners!

Are you looking to grow your business, or to recover and move forward after Hurricane Harvey? You can't miss the **Take Action Entrepreneur Empowerment Series**! During each session, our experts will build your knowledge of:

- Resources, strategies, access to capital & growth options for small businesses
- Components of a credit score, key documents, & how to improve your score
- Indicators of financial capacity, cash flow, & how to calculate them
- Contracting, marketing, & pitching your business to the federal government

Upon completion, participants will have the opportunity to **apply for a business loan** with LiftFund on site to address their capital needs and put their growth strategies into action.
