

FIGHT FLOODING

We have been battling flooding since 1912!

LET'S FINISH THE JOB!

Vote YES for Prop A

DOING NOTHING IS NOT AN OPTION

- Flooding will happen again. Any home could flood the next time it rains.
- Repeated flooding has caused billions in damage and has forced businesses and jobs to relocate elsewhere.

COST OF A SANDWICH

- The most taxpayers will pay is \$6.25 per month on a home valued at \$250,000.
- NO TAX INCREASE for seniors and disabled homeowners in homes less than \$200,000.

Information about the bond visit:
www.hcfcd.org

WHAT THE BOND ACCOMPLISHES

- Passage of the flood control bond greatly improves Harris County's competitiveness for limited federal dollars.
- New detention basins and repairs to creeks & tributaries.
- Voluntary buyouts of homes that repeatedly flood.

VOTE EARLY

- July 23rd — Mail-In Ballots
- August 8th — Early Voting Begins
- August 25th — Election Day

Voting locations at:

The Houston Northwest Chamber of Commerce and the Chamber's Flood Mitigation Task Force support the Harris County Flood Control Bond because it is good for business, good for property values and good for the citizens in and around the Little Cypress Creek, Cypress Creek and Spring Creek Watersheds. Join us in support!
