PRESERVE HOURS

7 a.m. to dusk
(Entrance gates close 30 minutes prior to closing)

ABOUT

Precinct 4's Kickerillo-Mischer Preserve (KMP) is an 80-acre property featuring Marshall Lake — which spans approximately 40 acres — a staff building, paved roads, two fishing piers, parking lots, restroom facilities, 1.7 miles of paved trails, and a canoe launch. Trails are open to pedestrians and bicyclists, so please be cautious and courteous to all patrons. Leashed pets are welcome, and pet waste clean-up stations are located along the trail. Visitors may not disturb, alter, remove, litter, or damage any plants or natural aspect in the park.

CANOE LAUNCH

The canoe launch is available to non-motorized boats only during regular park hours. No Motorized vehicles are allowed on the canoe launch, so please plan accordingly.

YOUTH CAMPING

The campground is available for private reservations to scout groups and other nonprofit youth-type service organizations only. Facilities include a large fire ring, two barbecue grills, and a covered pavilion. Restrooms, showers, water fountains, a water spigot, and electrical outlets are near the camping area. The campground is spacious and adjacent to a sand volleyball court. To make a reservation, contact Precinct 4's Parks Reservationist at **281-353-4196** or preservations@hcp4.net.

FISHING

Fishing is allowed at Marshall Lake with a Texas Parks & Wildlife Department fishing license. For more information about fishing at Precinct 4 parks and to view the rules and regulations, please visit www.hcp4.net/Community/Parks/Fishing.
