

2019 Board Candidates

Tom Matkin P.E. , AEI Engineering

Tom Matkin is a registered professional engineer and currently serves as a Principal of AEI Engineering, LLC. After graduating from Texas A&M University with a bachelor's of science in civil engineering, Tom served in the United States Marine Corps for 10 years and is a veteran of Operations Desert Shield/Desert Storm. He earned an MBA from the University of Minnesota in 1997. Tom joined AEI Engineering in 2004, where he serves as the engineer for several municipal utility districts and oversees the firm's financial management and business development activities.

Ed Ziegler, Linder Young Learners Academy

Ed graduated with a Bachelor of Science in Agricultural Business from Texas A&M University. Prior to joining the team, Ed worked with Trinity Episcopal Church (Midtown), University of Houston and Human Resource Connection.

Ed serves his church leadership team, is on the Standing Committee for the Diocese of Texas, Camp Allen Summer Camp Session Director, Houston Northwest Chamber of Commerce Volunteer Ambassador, Houston Northwest Chamber of Commerce Golf Tournament Chair, The Woodlands BBQ Festival committee, and has recently served on the Executive Board for the Diocese of Texas.

Mr. Ziegler resides in Spring with his wife Katy and three children. They enjoy camping and traveling in their travel trailer. The kids are involved in sports and dance and that keeps the family busy. Ed enjoys outdoor activities like biking, running, and fitness challenges.
