Ruling Elder Susan Kerr
Clerk of Session
King's Grant Presbyterian Church
745 Little Neck Road
Virginia Beach, VA 23452-5813

Dear Ms. Kerr:

On behalf of the Presbytery of Eastern Virginia, I would like to formally express our deep appreciation to the Session, Pastor, Associate Pastor, Staff and all the volunteers at King's Grant Presbyterian Church for a wonderful job of hosting the January 24, 2026, Stated Meeting of the Presbytery. The day went well as we worshipped together, socialized, did the business of the Presbytery, and managed to accomplish all the requirements of the Presbytery in a compressed meeting. The sermon of the Reverend Dr. Christina M. B. Carrasco was very inspiring. The music provided by the church's Praise Team, and Bell Choir under the direction of Dr. Tonya Holland was most impressive

Please convey to the Session and Congregation our thanks for a job well done and please relate our continuing interest in your church as you seek to serve Christ in your community. The day was blessed by Providence, and we were in a wonderful setting.

Express our special thanks to all those that participated in the serving of refreshments and lunch, in registering the attendees, the information technology, Zoom and audio-visual support, and to those doing "behind-the-scene" tasks that made this meeting a success. The reviews that were received by the Presbytery office were all very complementary of King's Grant Church. The whole process was extremely well planned and implemented.

Thank you for all that you and King's Grant Presbyterian Church do in the Presbytery and for the greater mission of our Lord and Savior, Jesus Christ.

Faithfully yours in Christ,

Q. John Tamm
Stated Clerk

Cc: Dr. Carrasco, Rev. Stephens
