

## Finance Team Report for April, 2022

- The end of April marks the 1/3 of the FY2022 Budget. Assuming giving and spending are the same each month, we should have received and spent 33.3% of the budget. While this is a simplistic and convenient way to analyze the Generosity of our congregation as well as the spending by our ministry teams, we recognize that both giving and spending will differ throughout the year.
- The budget approved by Session is \$606,800. The budget was developed using projections based on previous giving as well as expenditures. **The 2022 Budget is not completely funded by anticipated giving.** In order to keep from reducing any Ministry's budget, we anticipate that \$19,098 will be needed from the Fund Accounts in order to have a balanced budget.
- **KGPC has received \$196,750.17 thru the month of April.** Assuming that Giving will be the same throughout the year, Giving thru April should be 33.3% of the budget, or \$202,266.67. Using this assumption, Giving was \$5,516.50 less than anticipated. Giving thru April was 32.4% of the budget.
- **KGPC expended \$197,382.90 thru the end of April.** This is 32.5% of the budget. **Expenditures exceeded Giving by \$632.73 thru the end of April.**
- The amounts received thru April are below:

<b>TOTAL</b>	<b>\$196,750.17</b>	<b>\$606,800</b>	<b>32.4%</b>

- **Please note that while both giving and spending are less than the anticipated 33.3%, giving is 32.4% and spending is 32.5% for a deficit of 0.1% or \$632.73.**
  - **Open plate giving went from \$968.59 at the end of March to \$1,935.25 for the end of April, an increase of \$966.66 in one month.**
