

Dear friends

I am delighted to say that TfL is now advertising for a permanent, full time (or 2 part time) Consultant in Public Health (FPH approved).

This position is a new role, presenting the opportunity for a motivated Consultant in Public Health who enjoys cross-sector working to shape TfL's work to deliver public health benefits and reduce health inequalities. The focus will be on the five main health impacts of transport in London – physical activity, air pollution, noise, road danger and severance.

This role will require current registration with the GMC Specialist Register/GDC Specialist List/UK Public Health Register (UKPHR) for Public Health Specialists. Part-time and job share applications are welcome.

**Salary:** £70-£80k

**Location:** Stratford, London

**Closing date** for applications: January 31<sup>st</sup> 2018

**Interview** date: February 9<sup>th</sup> 2018

**More information and the opportunity to apply here:**

Note: this is not my job, I am not applying for this post, this is a new post for someone to work with me.

If anyone is interested in an informal chat about the role my mobile number is 07702 110301 and my email address is [lucysaunders@tfl.gov.uk](mailto:lucysaunders@tfl.gov.uk)

Please help spread the word!

Many thanks

Lucy
