[Winterfrost by Michelle Houts](#)

An ordinary Danish Christmas turns extraordinary when a family overlooks an important folkloric tradition. Christmas has come, and with it a sparkling white winterfrost. When Bettina's parents are called away unexpectedly, leaving her in charge of the house, the farm, and baby Pia, Bettina neglects to set out the traditional bowl of Christmas rice pudding for the tiny nisse.

No one besides her grandfather ever believed the nisse were real, so what harm could there be in forgetting this silly custom? But when baby Pia disappears, the magic of the nisse makes itself known. To find her sister and set things right, Bettina must venture into the miniature world of these usually helpful, but sometimes mischievous, folk.

[Holidays Around the World: Celebrate Kwanzaa](#) by Carolyn B. Otto

Over the course of seven days, African Americans, families and friends, come together to light the candles that symbolize their past and future—and their unity. They gather as a community to make music and to dance; to feast on harvest foods and the good things of the earth; and to exchange simple, often homemade, gifts. Readers are introduced to the symbols of the holiday, such as the *mkeka* (a special placemat), *kinara* (candleholder), and *kikombe cha umoja* (unity cup). Important concepts, like the seven principles, are explained. In addition, a note from the book's consultant, aimed at parents and teachers, puts the holiday in its full cultural and historical perspective.

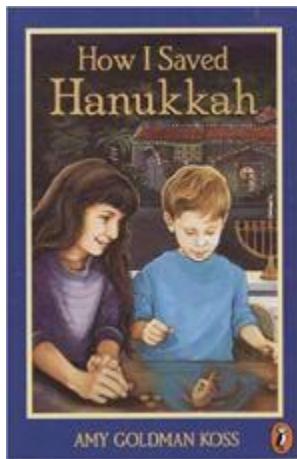

[Tru and Nelle: A Christmas Tale by G. Neri](#)

Young Truman Capote thought life in New York City was going to be perfect, but things didn't work out as planned.

In fact, Tru is downright miserable. So he decides to run away to Monroeville, Alabama, and the only friend he's ever had, Nelle Harper Lee. But things don't go well there, either.

Bad things seem to happen wherever he goes. The only explanation: he must be cursed. Christmas is coming, and Tru's only wish is to be happy. But it'll take a miracle for that to come true. Luckily, a special feast brings the miracle he's hoping for. *Tru and Nelle: A Christmas Tale* is based on the real life friendship of Truman Capote and Harper Lee.

[***Kiesha's Kwanzaa by Jacqueline C. Grant***](#)

When she discovers a family celebration called Kwanzaa, Kiesha thinks she has found a way to help her family. She works hard to create a special family Kwanzaa celebration, but is it too late? Young readers will learn about how some families celebrate Kwanzaa, but Kiesha's Kwanzaa is really about family and togetherness and the power of love.

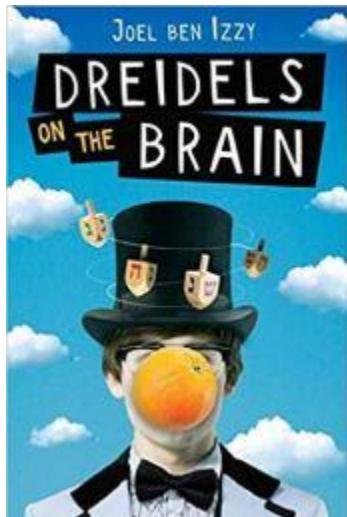

[***Young Scrooge: A Very Scary Christmas by R.L. Stine***](#)

Rick Scroogeman hates Christmas. He can't stand the carols and the pageants. He can't stand the lights and the mistletoe.

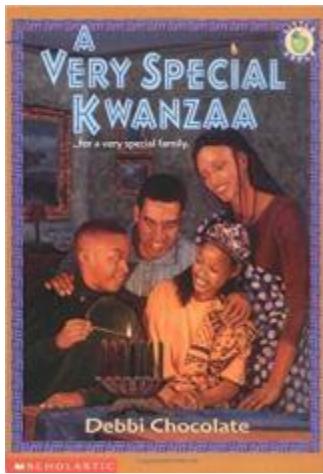

But what he hates the most is having to watch the old movie *A Christmas Carol* every year at school.

Since his name is Scroogeman, all of his classmates start calling him Scrooge. And he *hates* being called Scrooge. But everything starts to change when three ghosts visit him. At first, he thinks it's a dream. But then he realizes that it might be a nightmare. A nightmare that could become real.

[Dreidels on the Brain by Joel ben Izzy](#)

One lousy miracle. Is that too much to ask? Evidently so for Joel, as he tries to survive Hannukah, 1971 in the suburbs of Los Angeles (or, as he calls it, “The Land of Shriveled Dreams”). That’s no small task when you’re a “seriously funny-looking” twelve-year-old magician who dreams of being his own superhero: Normalman. And Joel’s a long way from that as the only Jew at Bixby School, where his attempts to make himself disappear fail spectacularly. Home is no better, with a family that’s not just mortifyingly embarrassing but flat-out broke. That’s why Joel’s betting everything on these eight nights, to see whether it’s worth believing in God or miracles or anything at all. Armed with his favorite jokes, some choice Yiddish words, and a suitcase full of magic tricks, he’s scrambling to come to terms with the world he lives in—from hospitals to Houdini to the Holocaust—before the last of the candles burns out. No wonder his head is spinning: He’s got dreidels on the brain. And little does he know that what’s actually about to happen to him and his family this Hanukkah will be worse than he’d feared . . . And better than he could have imagined.

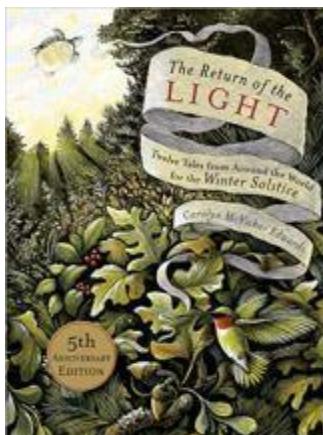

[A Very Special Kwanzaa by Debbi Chocolate](#)

When the class jerk decided to crack jokes about Charlie's outfit, he became the clown of the third grade. This year he just wants things to be normal.

But Charlie soon learns that Kwanzaa is a celebration of creativity and caring.

[The Return of Light: Twelve Tales from Around the World for the Winter Solstice by Carolyn McVickar Edwards](#)

The winter solstice, the day the “sun stands still,” marks the longest night and the shortest day of the year, and it comes either on December 20th or 21st. Celebrations honoring the winter solstice as a moment of transition and renewal date back thousands of years and occur among many peoples on every continent. *The Return of the Light* makes an ideal companion for everyone who carries on this tradition, no matter what their faith. Storyteller Carolyn McVickar Edwards retells twelve traditional tales-from North America, China, Scandinavia, India, Africa, South America, Europe, and Polynesia-that honor this magical moment. These are stories that will renew our wonder of the miracle of rebirth and the power of transition from darkness into light.

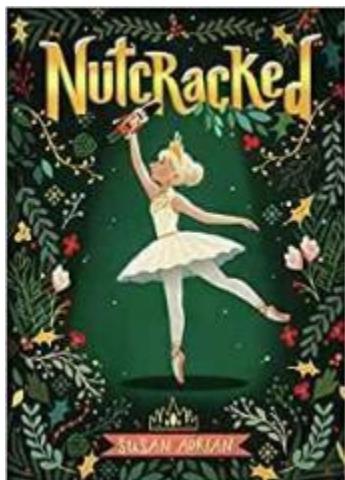

[The Angel Tree by Daphne Benedis-Grab](#)

This year, however, four kids who have been helped—Lucy, Joe, Max, and Cami—are determined to solve the mystery and find out the true identity of the town's guardian angel, so that Pine River can finally thank the person who brought the Angel Tree to their town.
