We're trying to figure out how much soup to make. Please let us know your plans for your family. While you are at it, can you think of a church family member you could deliver soup to?

Use the form below for planning and call, text or email the quantities you need to Andrea or Patti.

Soup will be distributed, ready-to-heat and in individual cartons.

Pick up times on Feb. 24 are as follows:

12 noon to 1:00 pm

5:00 to 6:30 pm

Just swing into the drive through circle.

Print and keep this sheet and hand it to the volunteers at pick-up time, but don't worry if you forget it.
