

We encourage fledgling CLLs to consider the possibility that each life has an unchanging purpose, and working toward it leads to the greatest Happiness (with a capital H).

Mark Twain said, “The two most important days in your life are the day you were born and the day you figure out why.”

Sri Sri Ravi Shankar, said, “When you make service your sole purpose in life, it eliminates fear, brings focus in the mind, a sense of purpose & long term joy.”

In every CLL workshop, we take time to remember the words of Martin Luther King telling us that everybody can be great because everybody can SERVE.

I am delighted to announce that a person who embraces laughter and service and strong belief in GRATITUDE, has now joined the World Laughter Tour as a Trainer.

Julie Ann Sullivan has completed training to become a WLT Faculty member, our newest trainer and Poobah.

Determined, compassionate, Julie Ann, also known as THE ATTITUDE ENHANCER, has represented us well since becoming a CLL in June of 2011.

Now, she will be starting many individuals off on paths of laughter and Good-Hearted Living as Certified Laughter Leaders.

Julie Ann seeks to bring a more positive and productive environment into every business she visits.

She says, “Training Laughter Leaders gives them the ‘right stuff’ to affect change in others. I love the foundation WLT makes available for training CLLs. Real science, research, and best

practices create better leaders. I'm honored to be a CLL trainer. With the information from WLT and my own experiences, I can smooth the path for participants to carry on our message, ***“Every Laugh Matters”***.

“Valuable information and so many smart and savvy members of WLT, make this community a true catalyst for growing our CLL family. I feel like I have a whole world to assist me in training.”
