

Dear RCHP-AHC Family,

It's mid-June, more than two full weeks since our 20th Anniversary celebration, and I'm still glowing! It was such a privilege to have 300+ people gather together, to acknowledge the incredible work of this little organization in so many spheres of justice and mercy.

I am proud of the work we've done together. In my remarks, to start the event, I spoke about RCHP-AHC's 'nimble' way of existing. We are not 'locked in' to any one way of thinking, to any one social issue, or funding stream, or long-term answer. If we are 'locked in' to anything, it is to **listening to the Spirit of the Almighty** moving and careening through our lives and communities. We get a nudge, a hunch, a glimmer, a spark, and off we go!

That is what has led us to make a difference in the lives of so many. You are essential to it.

As we enter the summer of '26, I'd ask **you to listen with us and FOR us**. Sometimes the voice of the Almighty comes to those who are not in the boardroom, or the staff room, or the rooms of state, federal or local government. Sometimes the voice of the Almighty speaks to volunteers, to clients, or to those who might be on what seems to be the periphery.

Take in the voices, the ideas, the feedback, the opportunities, and help us figure out our future! We are committed to so many things—and yet, it's really all just one thing—**manifold expressions of Love**.

Friends, Love still has to pay the bills. I would ask, as you read this newsletter, or watch our videos on the new [AHC YouTube channel](#) or read the [annual report](#), that you'll get excited about supporting us and our work.

Behind all our 'success' is the concept of housing. Providing housing is what we do best. It's also really expensive. **Please look carefully at the opportunity to give \$20/month to support the housing needs of clients.** Staying 'solvent' with our lease/sublease model allows us to continue and to grow.

In the middle of a chaotic year, I'm finding peace at AHC—peace that passes understanding. It's a good place to be.

Peace, Seth
