

# WOMEN'S CONFERENCE

APRIL 29, 2023

Conference Location: 2600 Avenue A, Council Bluffs  
(at First Church of the Nazarene)

Theme: Navigating Relationships—  
The Good, The Bad, & The Ugly

*The Ladies of your church are cordially invited—*

**Hope-Net Ministries** is bringing together several notable speakers to a women's conference to Council Bluffs. Hope-Net is a local non-profit that works with local churches and businesses to help women who are starting over after incarceration, addiction, or poverty. We lead support groups, give away bicycles as a first form of transportation, provide mentors, give clothing for job interviews--generally encouraging and helping these ladies start their lives over--bringing the word of God into the lives of many for the first time.

## How can this conference benefit my church?

- Many women in the church have experienced broken relationships in their own past, and may hear the encouragement they need to finally heal from this.
- Many women in the church feel the need for relationships with others who can understand; this conference could be a place to make mutually-beneficial friendships.
- Gives your church the opportunity to partner with Hope-Net to reach those in prison, homeless, addicted, and in need--many have children who are innocent victims of mom's circumstances.
- Your members will have the opportunity to be an example of a woman walking in faith as they meet other women attending.
- Ticket prices have been kept low (\$25 breakfast & snack provided) so more people can afford to attend; some may choose to pay for themselves to attend plus a woman in need.
