Dear Valued Customer,

ExxonMobil™ PP and Exceed™ PP and Exceed™ Flow PP and Exceed™ Tough PP Price Increase

Effective with all shipments on or after August 1, 2025, the prices for all grades of ExxonMobil polypropylene resins will increase by \$66/tonne or \$0.03/lb. This increase is separate from any price change in propylene monomer, and from previously announced increases.

This increase applies to all branded ExxonMobil™ PP and Exceed™ PP and Exceed™ Flow PP and Exceed™ Tough PP, homopolymer, copolymer and random copolymer resins, including AXO3BE3 and series PP1000 to PP9000 inclusively.

Your sales representative will be in contact with you to discuss specific prices on the grades you purchase and to answer any questions. We thank you for your continued business.

Sincerely,

RE: Polypropylene (PP) Price Increase July 2025

Dear Valued Customer,

Equistar Chemicals, LP and Basell Poliolefinas, S. de R.L. de C.V., members of the LyondellBasell group of companies (collectively, "LYB"), **announces a price increase of \$0.03/lb.** for all polypropylene products sold in North America, **effective July 1, 2025.** This increase is in addition to any change in Polymer Grade Propylene (PGP) pricing between June 2025 and July 2025.

Please note that specialty polypropylene grades may be subject to a price increase of a different amount.

As always, fulfilment of orders, including those submitted prior to the increase date are subject to acceptance by LYB of each order and our ability to supply product.

We appreciate the confidence you have placed in us as a supplier, and we look forward to our continuing business relationship. Your Account Manager is available to work with you or answer any questions you may have.

Sincerely,
