RE: Polyethylene (PE) Price Increase July and August 2025

Dear Valued Customer,

Equistar Chemicals, LP will **implement the previously announced price increase of \$0.06/lb.** for all grades of polyethylene sold in North America, **effective July 1, 2025.**

Equistar Chemicals, LP **also announces a price increase of \$0.05/lb.** for all grades of polyethylene sold in North America, **effective August 1, 2025.**

Equistar's goal continues to be production of polyethylene in sufficient quantities to fulfill current orders. Fulfillment of future orders (including those submitted prior to the increase date) are subject to Equistar's acceptance of each order and our ability to supply product.

We appreciate your business and the confidence you have placed in us as a supplier of your polyethylene needs. Your Account Manager can answer any questions you may have regarding these price amendments.

Sincerely,

Brian K. Griffin
