

SENIOR TRIBUTES

YEARBOOK

One of our favorite TA senior traditions is our “Senior Tribute” section of the yearbook. These special pages of our book give you a chance to gather favorite pictures of your child growing up and to send them a message of pride in their accomplishment. To participate in this section, follow the steps below. Our deadline for submission is **November 15**. We cannot guarantee space after this date, nor can we hold space for incomplete ads.

Please follow these instructions to ensure proper placement of your senior tribute page!

1/4 PAGE - \$220

1. Go to **www.YearbookOrderCenter.com** & enter school code **4176** (or just [CLICK HERE](#))
2. Choose “Start Your Ad” and select the size of the space you wish to purchase.
3. Select “Buy this item for Student” and search for your student’s name.
4. Click the Log In button, and you will be prompted to create an account for a digital studio that will allow you to either design your ad through this website OR submit one you’ve already built yourself using a separate application.
5. Depending on the size of the ad you’ve selected, the website will show you a variety of design options you can choose from. *Note: If you’ve built an ad yourself using PhotoShop, Illustrator, or a high-resolution collage-making site like postermymwall.com, you should select the design that will let you upload one image* →  Easy peasy! Click “Select” once you’ve chosen your design.
6. This will launch a design studio that you are now free to play in. Upload your digital photos, choose background colors, change fonts, and design to your heart’s content. You may save your work and come back later.
IMPORTANT: Carefully proofread your ad before paying & submitting. Once we receive your ad, we submit it for printing as is, and we cannot pull it back for corrections at a later date.
7. When you are satisfied with your design, you will check out and pay for your ad on the same website. The ad will automatically be transmitted to us, and we place it in the book for you - that’s it! You’re done! You’ll receive an email receipt for your purchase, and this email is proof of confirmation that we have your ad in our hands for the book.

REMINDERS & SUGGESTIONS:

If you need Tech Support as you do this, please call: **1-877-362-7750**. Ms. Blanco cannot help troubleshoot this technology, but the team available at this number can.

If you are building your own ad, you need to do it in a professional program at a high resolution (300dpi or more at print size - a full page is 8.5x11!) Professional programs are PhotoShop & Illustrator, not Word & PowerPoint. This is entirely optional, though. You can design & submit without doing ANYTHING from these separate professional applications. Don’t wait until the last minute! Give yourself time to do this and to ensure completion on time.
