Dear Friend of People to People,

On behalf of our ministry, staff, and board members, I would like to thank you for your generous donation to People to People. It means so much to us to know that through your generosity we can continue to assist those in our community and help them through difficult times. It is during times like these that we see how much our community truly cares about others and the desire to help those who have fallen on hard times. We are so very thankful that you have come along side of us, working hand in hand, as your donation helps us continue to provide food, clothing, and emergency financial assistance. This year we purposed to partner with several other organizations to help reach even more children, senior citizens, and veterans in need. We continue to build our lobby waiting area into an education center for adults and children to help educate them as to other available resources and employment and personal growth opportunities.

We have purposed with GOD's guidance to fulfill our mission of providing an immediate, realistic, and compassionate response to people with basic needs when they are not being met through any other programs.

We thank you so much for your generous gift during these trying times. We are greatly blessed by it. I want to assure you it will be used in GOD's LOVE to help provide for those in need.

Sincere gratitude in CHRIST JESUS,

Thank You for your Continued Support as we serve people in Need together
