VIOLA STARTZMAN
CLINIC

September 13, 2022

Dear Pastor Ferenczy,

On behalf of the patients and leadership of The Viola Startzman Clinic, thank you for The Westminster Presbyterian Church's donation to the clinic, dated 8/8/2022, in the amount of $1,000.00.

This is an exciting time of year with school starting, college students returning to town, and the temperatures cooling down a bit. It always feels like a new energy comes to the clinic at this time of year. We launch programs to serve students from pre-school to college, and we always have a surge of sick patients as those back-to-school germs are shared. It is always a busy time at the clinic!

One of the programs your donation supports is our Vision Screening Program. We partner with area Lions Clubs, and offer free vision screenings to any preschool in our service areas. Our volunteers are often the first ones to recognize a vision problem in a young child. I remember talking to a mother a few years back who told me her son had horrible behavior issues in pre-school: he wasn't paying attention or following the rules, and was always in trouble. When we screened him, we realized he could not see anything the teacher was showing him. Once he got glasses, he was like a new kid: engaged and actively learning every day. Your donation supports life changing moments like this! THANK YOU!

On behalf of our team of staff and volunteers, as well as all of our patients, thank you for partnering with us. We are excited to continue offering healthcare and hope to our community.

With sincere regards,

Jaime Parsons
