Our 150th Anniversary Mustard Seed Mission Project

How shall we compare the kin-dom of God? It is like a mustard seed ... the smallest of all the seeds on earth ... when sown, it rises up and becomes the greatest of all vegetables. (Mark 4:30-32, trans. Amy-Jill Levine)

Imagine if we could activate enough mustard-seed-size efforts to transform the quality of life for our neighbors and other hardworking families in our area!

Every day 1 in 2 Americans choose between paying medical bills and covering basic needs. Nearly 50% of U.S. adults delayed or skipped medical care due to the high cost. 50% of U.S. adults would not be able to afford an unexpected $500 bill. ⅔ of bankruptcies cite medical debt as a leading cause. Eligible medical debt within Wayne County and its surrounding communities can be greatly reduced or eliminated with your contribution.
