OneEighty

Helping people change direction.

Dear Friends,

Your support in 2022 to **Help People Change Direction** was much appreciated. Please find enclosed a summary of your contributions.

You've helped us accomplish:

- Expanding education and therapeutic programs at our residential treatment facilities.
  - **169 clients received residential treatment services in 2021**
- OneEighty, Wooster Community Hospital, and Aultman Orrville Hospital are committed to providing advocacy services to sexual assault and domestic violence victims even in severe weather and pandemics.
  - **473 individuals received victim advocacy services in 2021**
- Providing educational outreach on addiction, domestic violence, sexual assault, and wellness.
  - **2,429+ community members and professionals provided educational programming in 2021**
- Broadening our Peer Recovery Program to 10 coaches to help clients stay engaged in recovery.
  - **203 individuals received peer recovery services in 2021**

On behalf of everyone at OneEighty, thank you!

Sincerely,

Executive Director
Bobbi Douglas
