In this season of Thanksgiving, we would like to thank You for your past support of Habitat for Humanity in Wayne County and it's mission "Seeking to put God's love into action, Habitat for Humanity brings people together to build homes, communities and hope". Your support has helped us to break ground on our 85th home in October 2021. It's because of the generosity of people like you that we are able to continue this mission. For this, we thank You and will greatly appreciate your continued support.
