

FESTIVAL OF BLISS

SEP | 26 - 28 | 2025

The arrival of Gurudev Chitrabhanuji and Acharya Sushilmuniji in the 1970s marked a turning point in history—planting the seeds of Jainism across North America. Adding to this legacy was the establishment of pioneering Jain Centers and our first Jain Tirth, Siddhachalam, in New Jersey. Since then, Jainism has not only survived—it has thrived in the 21st century!

And now, friends, another historic moment is unfolding in North America!

With the Grace of Bhagwan Mahavir, the yogbal of Shrimad Rajchandraji, and the divine vision of Pujya Gurudevshri Rakeshji, a new 400-acre sanctuary for the mind, body, and soul is opening in the breathtaking Poconos of Pennsylvania, near the New Jersey border. Welcome to the **Shrimad Rajchandra Spiritual Center, USA**.

On behalf of Shrimad Rajchandra Mission Dharampur, we warmly invite you to the **Festival of Bliss**—a grand celebration marking the commencement of Pujya Gurudevshri Rakeshji's 60th Birth Anniversary. Join us from **Fri, Sep 26 - Sun, Sep 28, 2025**, at this serene new center in the Poconos.

We look forward to welcoming you in September for this momentous and joyous occasion.
