ADMINISTRATION & ENGINEERING

Advanced Planning

- **Projects in environmental review**
 - FY 17/18 - Kern River Bike Path
 - FY 18/19 - Golden Hills: Traffic signal at Red Apple @ Westwood
 - FY 19/20 - Rosamond: Pave dirt road on Holiday Ave (65th St West - 60th St West)
- **Active Transportation Program Projects**
 - Boron:
 - Railroad Permit underway. Waiting for track estimate.
 - Review of DRAFT Railroad Agreement complete.
- **Community Development Block Grant Projects**
 - Boron:
 - FY 18/19 - Boron Ave and Twenty Mule Team road rehabilitation
 - Taft:
 - FY 17/18 - CDBG Drainage study in Taft (Asher Ave)
 - FY 18/19 - Design Asher Ave pedestrian path
 - FY 19/20 - Construct Asher Ave pedestrian path
- **Kern River Bike Path**
 - KWB Agreement to be approved at 8/13/18 KWB Board meeting.
 - Two properties currently in escrow: KC Racetrack & Wonderful orchards. Easement on hold until new owner established. Do not know if they plan to keep up the orchard. Spray schedule will require closure of bike path for 4 days every time they spray insecticides, chemicals or other sprays for the health & safety of the public. Options:
 - 1) Install gates at Wonderful's N/S boundary so they can close path per their spray schedule.
 - 2) Reinvestigate the use of Caltrans ROW (within proposed Utility Underground area) to avoid closure since that area is not subject to overspray.
 - CEQA complete. NEPA Clearance - waiting for Hydrology study (Aug. completion.)
 - ROW on hold until NEPA clearance complete.
 - Kern Water Bank (KWB) initiated Wildlife agency consultations for Kern County's use of their Habitat Conservation Plan. Federal approval complete. Waiting for state outcome.
 - Waiting for PG&E Underground Utility Estimate & timeline for design & construction.
 - Permits underway for: Army Corp of Engineers, Streambed Alteration, Flood Council, Encroachment Permits (Caltrans & Bakersfield.)
 - Maintenance Agreements required for Caltrans and City of Bakersfield. Draft Agreement has not been initiated. ROW investigating requirements.
- **Safety Improvement Projects**
 - Existing single lane countywide crosswalks being scoped for ADA compliance and visibility improvements.

- **ATP Project Applications submitted for funding:**
 - Upgrade of Existing Uncontrolled Crosswalks – propose to add rapid flashing beacons, street lights, zebra striped crosswalks and improve warning signs to improve pedestrian safety for all existing uncontrolled crossings for roads with four total lanes.
Locations in Dist. 2:
 - Mojave - Business 58 @ K Street
 - Mojave - Business 58 @ Myer Road
 - Rosamond - Rosamond Blvd @ Eagle Way

Traffic

- **Red Apple Road at Reeves Street - Tehachapi**
 - Received a request for an all-way STOP at this intersection
 - Reviewed accident history and performed traffic counts
 - Intersection does not meet the Manual on Uniform Traffic Control Devices (MUTCD) for all-way STOP installation
