QUÉBEC–NEW YORK TRANSPORTATION RENDEZVOUS & B2B EVENT

The North Country Chamber of Commerce, NAmTrans, and our event planning partners are pleased to offer sponsorship opportunities for the 5th iteration of our Québec–New York Transportation Rendezvous and B2B event. Last held in 2024 and attracting nearly 220 attendees, this event connects transportation and aerospace manufacturers from Québec, Plattsburgh, Albany, Buffalo, Syracuse, Long Island/New York City and beyond. The goal of the Rendezvous is to bring together businesses and organizations from across the industry to explore business opportunities. The day features informational sessions, engaging panels, presentations, keynote speakers, and full access to our B2B platform for strategic one-on-one meetings. In 2024, nearly 200 B2B meetings took place and we're ready to help facilitate those connections again at West Side (253 New York Road, Plattsburgh NY 12903) on March 10, 2026!
