

Samohi Winter Drumline Parent Meeting

When: Tuesday, October 15th, 6:30 PM (part of scheduled BPA Meeting)

Where: Samohi Band Room

Who: All parents of students interested in participating in winter drumline (no experience required, open to any member of Samohi Music Department)

Samohi band is having a parent meeting on Tuesday, October 15th, at 6:30 PM. There will be an opportunity to discuss implementing and supporting the new second semester winter drumline program. Similar to the existing winter guard program, this is an exciting new opportunity for our marching percussion students to perform and compete during the winter season.

Percussion director Mariam Kaddoura and battery instructor Aya Strauss will be discussing the scope and requirements of the winter drumline program, as well as how parent involvement and student membership factor into the program as we head into our first competitive season.

All parents with potentially interested students are welcome, regardless of previous percussion experience!

For any questions, contact:

Mariam Kaddoura - mkaddoura@smmusd.org

Aya Strauss - ayastrauss@gmail.com
