

MULTIPLE SCLEROSIS AWARENESS

March 3, 2020

Dear Bridges Academy Families,

On Saturday, May 16, 2020 at 10:00a.m, the National Multiple Sclerosis Society will be hosting their annual MS Walk at Jones Beach. We would like to assemble a team to represent The Bridges Academy at the walk.

There will be a brief presentation given to the Middle School students during assembly on Wednesday, March 11th. **If any parents would like to attend, you are more than welcome.** The presentation will be about MS, its symptoms and effects. While the presentation is only for middle school students, the walk is open to all grade levels and parents. Registration and participation have no charge, and as previously stated, it is open to ALL students. While fundraising is not a mandatory component of the MS Walk, if you are interested in raising funds, it is more than acceptable.

If you would like to participate in the MS Walk with Team Bridges Academy or simply make a donation, please log onto the website found below. If you do register to walk at Jones Beach, please send an e-mail to Kristen.Ciemnecki@bridgesli.org with shirt sizes that are needed for the day of the walk.

Thank you again for all of your support.

Sincerely,

Kristen Ciemnecki

To register for the event or to make a donation, please log on to the following site:
