Where does your donation go?

Our complete focus is on those employees of the Sheriff's Office who are experiencing individual or family crisis.

We recognize that crises not only impact individuals, but the steady and effective operations of the Office as well. The intent of the Foundation is to serve as a resource during unanticipated times of hardship.

We provide a well-honed grant process that ensures crisis grants are deployed quickly, with the assurance of genuine need and qualification. Our Foundation Administrator facilitates the grant applications and assists in networking with other available resources.
