Subject: Equifax 2017 DATA BREACH SETTLEMENT with the FTC - IRS theft

From: Evelyn Ringger, Independent Associate
Carrier Representative, LegalShield & ID Shield

Subject: Equifax Settlement

Nearly ½ of Americans were affected by the 2017 Equifax breach. The numbers, Social Security numbers and other identifying information. And with the Federal Trade Commission, theft victims can file a claim on behalf of \$125.00 Tax Settlement. The victim may also claim actual damages without person. I am attaching the information on how to participate. The first were part of the Equifax Breach. Instructions are attached. If you have children, be sure to check to see if they are part of the Breach. Then you

Credit monitoring may not be enough, as drivers license were part of the record monitoring may be needed. If you have ID Shield employee benefit court monitoring and goes far beyond credit monitoring, so you may deserve \$125 Reimbursement. If anyone in your family was part of the Equifax Family Plan.

We will have additional information on the breach and ID Shield and LegalShield participate. Then you can apply for the reimbursement for your family member.

The choice and/or decision are yours. This is only a suggestion.

In closing, also attached is a flier on our ID Shield web site and how to participate. Your member number is available from Equifax.
