2017 is well under way and so are plans for the 2017 Bluffton Free Street Fair to be held September 19th – 23rd! We are the oldest and largest street fair in the state of Indiana. Our board of directors and committee chairman work all year long to achieve our goal of having a safe, entertaining and fun fair for the City of Bluffton and all surrounding communities. The first official Bluffton Street Fair took place on our streets in 1898 and was financed by \$1,800.00 raised from local saloon keepers; a significant amount of money considering it was over 100 years ago!

Every year, our income remains the relatively the same however, our expenses increase. This is where we are asking for your help to defray some of the costs. We have decided to offer local businesses the opportunity to become a sponsor of the Fair. Please take a moment to select a sponsorship level below. We appreciate your support!
