Fundraising Walk Raises Money for Local People with Cancer

Fort Wayne, IND. – Cancer Services of Northeast Indiana will hold the 2019 Lapper fundraising walk and Survivors Day Celebration on Saturday, May 11, 2019. The walk raises money to help local people with cancer.

The money raised through this walk stays in Northeast Indiana to help our neighbors and friends who have cancer. This year, Cancer Services invites the community to help raise \$80,000 in celebration of the organization's 75th anniversary.

There are three ways to participate: 1) raise money and walk at the event, 2) make a donation or 3) become a sponsor. Many participants walk and donate in honor of a loved one.

Register to participate or make a donation online at lapper.cancer-services.org. Registration forms are also available at Cancer Services. Walkers who register and raise at least \$35 by May 1 may receive a commemorative Lapper t-shirt. Water and fresh fruit are provided during the walk, which takes place rain or shine.

After the walk, the public is invited to the Survivors Day Celebration at 11 a.m. The celebration includes food, music, and fun for the entire family.

About Cancer Services of Northeast Indiana

Cancer Services' mission is to enhance the quality of life of those affected by cancer by providing meaningful resources, information and compassionate assistance. Last year, more than 3,500 local people with cancer and their families received emotional support and practical resources for their cancer journey. Cancer Services of Northeast Indiana helps people who live in Allen, Adams, DeKalb, Huntington, Kosciusko, LaGrange, Noble, Steuben, Wabash, Wells, and Whitley counties. For more information, visit www.cancer-services.org.
