Working together to make Indian River County, FL
a literacy capital of the nation!

Brought to you by the Moonshot Community Action Network, produced by The Learning Alliance

This campaign is inspired by the lovely book, *A NEW ALPHABET FOR HUMANITY*, written by Leesa McGregor and illustrated by Daniela Sosa. Their vision for the book is to nurture the heart, imagination and potential of children all around the world. Together, we can change the world!

Featured Letter:

**When we help a
child learn to read,
it changes who
they become!**
