

The Director of the United States Patent and Trademark Office

*Has received an application for a patent for a new and useful invention.
The title and description of the invention are enclosed. The requirements
of law have been complied with, and it has been determined that a
patent on the invention shall be granted under the law.*

Therefore, this

United States Patent

*Grants to the person(s) having title to this patent the right to exclude
others from making, using, offering for sale, or selling the invention
throughout the United States of America or importing the invention into
the United States of America, and if the invention is a process, of the
right to exclude others from using the process throughout
the United States of America.*
