

COMPETING IN CHANGING TIMES: THE GROWTH OF YOUR AGENCY

If you are looking for a better way to grow your agency, then Agency Administrators would like to share how we can help your agency grow Smarter. With us, you will never worry again about customer service staff and dealing with all of the hassles and costs that come along with it. Our proven model gives you a competitive edge in building a revenue-generating operation in a fiercely competitive and changing market.

WHO WE ARE

We are the **only** complete
Customer Care Center
for independent
insurance agencies

WHAT WE DO

We provide 100 percent of your customer care services for 100 percent of your carriers

All Carriers. All Lines.

WHAT WE ALSO DO

We provide all other administrative services such as:

- ▶ Bookkeeping
- ▶ Premium Payables
- ▶ E&O
- ▶ Carrier Communications
- ▶ Producer Commissions
- ▶ Mail Management

And all other functions to keep your agency growing Smarter.

HOW WE DO IT

We Build, Manage, and Maintain:

- ▶ Your Team of PL/CL Customer Care Representatives right here in the United States
- ▶ Your enterprise-level unified communication platform
- ▶ Your enterprise-level management system
- ▶ Your sales support staff, if desired

OUR PROCESS

Our process begins with these four easy steps:

- 1 DISCOVERY**
We collect objective data and discuss your goals and the future of your agency.
- 2 UNDERWRITING**
We analyze your agency information in order to determine the objectives, priorities, and expectations for your agency.
- 3 PLANNING**
We present our recommendations to you in an actionable, written plan.
- 4 IMPLEMENTATION**
Once your plan is in place, we manage, monitor, and report the results of your agency to you on a real-time basis.
