

Trauma Treatment Meet-Up – Orange County, CA

You're invited to meet skilled mental health clinicians at one of the many events Trauma Recovery/HAP will be hosting at EMDRIA Conference 2019. Join us at our:

- Booth 406 – 9/12 -15
- Faculty Volunteer Meeting – 9/12
- TRN Breakfast - 9/13
- Annual Dance – 9/13

Meet our staff and the many Trauma Recovery trained therapists who've participated in a training in response to a disaster or community need, and often joined a Trauma Recovery Network (TRN®). They are all ready to share stories and experiences, and eager to learn new ideas to improve outcomes.

Learn, Network and Fun @ Booth #406

Join us at conference booth, #406. Bring you questions and learn more about our on-site and online training offerings. This is a great opportunity to get an in-depth look at our many skill-building tools. Our staff will answer your questions; explain what you can expect from an on-site and online course, and help you understand the best fit for your needs.

Network with our clinicians and visiting TRN® members.

Hear first-hand how volunteers connected with and helped disaster survivors in the field. Their stories resonate with challenges, recovery and hope. It's a great way to learn more about the TRNs, and their activities without commitment or pressure.

Have fun and do good with our exciting Silent Auction at the booth. Our auction will include Light Sticks, Visa Gift Cards, an emWave Pro and much more. Auction proceeds are invested back into building resilience in underserved communities through local therapists.

Annual Dance Party Open Invite

Trip the light fantastic and socialize with friends and new conference acquaintances at Trauma Recovery's annual Dance. Hosted by Trauma Recovery's Executive Director Carol Martin and the Trauma Recovery Board, the evening celebration recognizes therapist volunteers helping fulfill our mission, and our commitment to bring EMDR Basic and specialty trainings

Faculty Volunteers Convene Off Campus

The faculty meeting is a unique opportunity for all of our **Faculty Volunteers** to convene in one place. At the meeting, we will discuss organizational updates, answer volunteer questions and receive feedback to better plan for the future. Discussion, hosted by Judy Cabeceiras and Andrea Savino, will include success stories and lessons learned. **Faculty planning on attending must RSVP in advance.**

If you are Trauma Recovery faculty, meet us at the Embassy Suites Anaheim South in Anaheim CA, Thursday September 12, 2019 from 12:00P - 1:30PM.

TRN Breakfast – A TRN Coordinator Program

This breakfast is an informal meeting of **TRN® Coordinators** to facilitate the sharing of program information and mutual support. Don deGraffenried, Program and Community Development Director for Trauma Recovery/HAP, will discuss new TRN's that have formed since the beginning 2019, as a direct response to violence and disasters in their communities, and new initiatives. There will be open discussion of client outreach and optimizing outcomes. This is a great opportunity for established TRN associations to share with the new and emerging groups. Mr. deGraffenried said "I look forward to being at the EMDRIA Conference and talking with clinicians who want to provide a service to their communities via the Trauma Recovery Networks. "

The meeting will be held at the Hyatt Regency in Anaheim CA, Friday September 13, 2019 from 7:00 am - 8:30 am. By invitation only.
