

City of Trenton – Trenton Community Improvement Corporation

Development Loan Program

Name:

Phone #:

Business Name:

Application questions:

1. What is the amount requested?

2. Apart from this loan, what is your financial contribution to the project?

3. Does your project address a real need or problem?

4. Is this a replacement of an existing structure or a new project?

5. What is the existing condition of the area for which the loan is requested?

6.If your project left the area, would Trenton still benefit?

7.Does your project benefit an existing, for-profit business?

8.How many businesses will be directly and positively affected?

9. How visible will the project be to the community?

10.Will your project generate revenue for you?

11.Will your project result in job retention or job creation?

12.What is the anticipated useful life of your project?
