

The D'Angelo/Liguori partners were instrumental in recommending significant improvements and implementing a Comprehensive Marketing Plan that assisted in expediting the sale of the substantial asset included in the Trust, while keeping strict Confidentiality. The broker/owner of Premier Estate Properties are highly regarded in the real estate industry and rightly deserved.

A.

Sold a Single-Family home in 2020 in Boynton Isles, Boynton Beach, FL. Rusty was an absolute pleasure to work with! He managed the sale of our current home alone with the purchase of our new home. All along the way Rusty was extremely responsive and patient with us. We highly recommend him, truly a pleasure!!!!

Aaron

Brian Ross is meticulous as it relates to his efforts in getting a deal done. His knowledge of the market is unparalleled.

Abdol

Kay and Jeanine are the most professional businesspeople we have ever dealt with. They did everything right and I'm so happy we used them.

Alison

Tremendous service knows how to properly price your home for sale. Amazing follow through and follow up. Excellence in guiding you how to best feature the unique attributes of your estate property. Wish we listed our house first with D'Angelo I Liguori instead of having to use two other agents. Also, like knowing I have experts in high end properties as I look for other properties / second homes.

Andrew

Sold a Single-Family home in 2016 in Parkland, FL. Rusty has helped us immensely in purchasing our first and second homes in Parkland making life very easy for us. He took care of every detail and gave us a first-class service.

Andy

I have known Kay Brown and Jeanine Harris since I was a little girl...I am now 43 years old. There is not a single real estate professional that I trust more than these two ladies! We have listed over \$5 million of real estate we own with them. They continue to exceed expectations. Their pulse on the Vero market is unparalleled, as are their rolodexes! We recently recommended dear friends of ours to list their \$1.5 million home with them. Our friends said "Wow, this is how it's done!" referring to their professionalism, knowledge & 24 hour turnaround in getting the property listed. We will continue to use Kay and Jeanine for all our real estate needs and send folks their way!

Ann

In all aspects of residential real estate acquisition and/or sales, you will find no better representation. Kay and Jeanine are the best of the best.

Premier Estate Properties and the Kay Brown Group are two of the most professional businesspeople we have ever had the pleasure of dealing with. We look forward to working with them again.

Bought a home in 2014 in Coral Springs, FL 33071. WOW WOW WOW! Rusty guided us through this process, as first-time home buyers, swiftly and professionally. My husband and I work late hours, and he always took the time to show us listings often into the evening. The financial process can be daunting as you probably know, but he artfully assisted in explaining everything to us and made sure we were fully prepared. He caught on quick to our personal preferences in a home, and we truthfully could not be happier with the purchase we've made.

Ashley

In 1 year, Kay helped me find a great buyer for my lovely home, and then find a great next home. She is experienced, professional, and a pleasure to work with - warm and friendly. Jeanine and Jackie round out the experience - Thanks Kay!

Audrey

Bought a Single-Family home in 2007 in Gulfport, FL. Rusty was amazing to work with. He really pushed for our best interests and ALWAYS communicated, followed up and above all was honest. He became part of our family. You can trust him and that was so important to us. Buying a home through him and listing our home with him made every other home experience we had feel like a nightmare. I would recommend him to anyone wanting to buy, sell or handle their mortgage.

Bailey

Michael Wells was essential to finding and helping us win our perfect home in a highly competitive bidding situation! He picked up very quickly on our unique tastes and hand-selected listings of particular interest. Michael has been highly responsive from the first day we worked with him through closing (including communicating with our lender and the sellers' agent, sending helpful advice to ensure we stayed on track for a smooth closing, and dealing with several requests/issues that arose during a long period leading up to the closing). He is intelligent and a pleasure to work with, explains the process clearly and was always looking out for our interests. I highly recommend Michael.

Bart and Brittany

Bought a Single-Family home in 2012 in Fruitville, Sarasota, FL. Rusty has helped us on several occasions and I can attest to his experience and knowledge of the real estate industry. In addition, he is very personable and always takes the time to make sure the client understands the process and feels comfortable. I feel confident recommending Rusty Hanna to anyone in search of a real estate professional.

Benjamin

Mr. Ronnie Hasozbek-Garcia My wife, Sophia, and I would like to take this opportunity to thank you for the manner in which you handled the sale of our condominium, 403-N at 2770 S Ocean Blvd in Palm Beach, Florida. As you know, I have had a lot of experiences in business working with people. It is very rare to meet an individual who exudes patience, personality and professionalism as you have in your communications with us. Not only was it a pleasure working with you, but the fact that the condominium

sold, literally, within days and at the original asking price, was very satisfying. Thank you again!

Bernard

Michael has helped our family find the perfect house. He has been there every step of the way. He is very professional and knowledgeable. We were impressed with his personal approach, attention to detail and hard work. Working with Michael was a delightful experience.

Bilgen

Kevin at Premier Estate Properties did a wonderful job selling my home in Fort Lauderdale. He tried to outdo himself by finding the right buyer. I would recommend him to all.

Bob

Colleen is very polished, professional, and kind. She takes her business very seriously and puts her clients first. She is very diligent in her approach. She did a lot of research and was able to explain things in a very diplomatic way so we could understand exactly where we stood in the market. She is a great listener and seeks to achieve the best outcome possible. She is an excellent communicator and did an amazing job at keeping us updated with information. We were proud to have her represent our home. We highly recommend Colleen Nouhan if you are looking for the best of the best!

Bonnie

Working with such a professional yet personable team has been nothing short of reassuring. Their knowledge and dedication is world class. Thank you, Premier Estate Properties!

Brenna

Bought a home in 2010 in Mirror Lake, Fort Lauderdale, FL 33313. Rusty assisted us in purchasing a rental condo. He was always responsive, and his experience shows through his extensive knowledge of real estate and the Florida market. I recommend him anytime someone needs a realtor and will continue to use his services whenever I need a real estate professional.

Brian and Lisa

Colleen Nouhan did what two other Realtors did not. Sold our house for the top-dollar that anyone got within the year in our price range, in our area. We had a pair of prior agents/brokers who either used our home as a springboard for lower-dollar purchases or did not even put the right information into the MLS. They sent assistants. We were not a focus. With Colleen, it was the 180. She came in, took a house that had been on listing, sadly, for all the wrong reasons, for more than 700 days, and turned it around in a few months. Quality showings. Real prospective buyers. A cash sale that, while full of challenges from the buyer's end, she handled with patience, professionalism, and grace. She provided all the right ideas on staging the property. She was realistic about her pitch to us and kept the whole process understandable, and on track. We chose her for several reasons to sell our house: Her background as an attorney helps her greatly in this business. Her ability to reach out to people from distance markets, and relate well to them, has been a huge plus in the high-end home biz. She is charming and totally professional. Her relationship with powerful Premier also allows her to bring a lot of their tools and global reach to bear. She walks the walk. I can happily recommend her to any seller!

Brian

Kay answered all my questions and did a great job making sure that I was fully aware and understanding of every process of the selling process. Definitely recommend going through her.

cardinalsfan

To Whom It May Concern: With 2 properties purchased, 1 property sold, and several ongoing searches, Ronnie sold my last property at top dollar during crunch time so that I could buy yet another property. Not only great when under pressure but also consistently keeping a watchful eye on properties I'm interested in for investment as well as personal upgrade. Ronnie is always my first choice as a broker and as a recommendation to friends and family because I know he will perform with experience and class.

Carl

We had a multi-million-dollar house and need someone with Experience in selling that kind of home. Colleen Nouhan is extremely professional, knowledgeable and genuinely warm. She personally was at every house showing and took care of many things for us, above and beyond to get our house sold at top dollar. She kept us informed and walked us through every step of selling our home. I have worked with many other realtors over the years Buying and selling homes and by far she is the best I have ever worked with. If you want the best, you will want Colleen.

Cheryl

Gerry and the Premier team did an excellent job in guiding us thru the process of preparing a home for sale including the staging of our home. Our home was marketed very professionally and sold within six weeks of the listing at a price that was above our expectations. I would highly recommend Premier Estate Properties.

Chip

I could not be happier with Colleen! She ALWAYS goes above and beyond for us and it is not because she wants to "get the deal done." Colleen is truly a person of character who naturally works hard, wants what's best for her client and is a kindhearted soul. She is the "real deal" as they say! She has sold two properties for us. We would recommend her to anyone and everyone needing a real estate professional.

Christeena

The best Realtor ever to deal with! Very professional, took care of business, made the whole process of selling our home such a pleasant experience. Would highly recommend Kay Brown and her team.

Clare

Bought a Single Family home in 2017 in Davie, FL. Being a first-time home buyer is as stressful as it is exciting!! When we decided to take the step to buy our first home, my main concern was truly finding someone that would not just help us find a home, but that they would walk us through the process. We got different references, I even spoke to banks to see if it would be better to go through a bank loan or through a mortgage

broker. When we got Rusty's contact, I won't lie I was so hesitant at first because as a first-time home buyers, looking for just a small home, I thought Rusty would be busy with bigger deals to help us - his years of experiences as well as the type of properties I knew he sold scared me. But we jumped! All I really must say is that I was SO wrong on being nervous and SO relieved that we went with Rusty. From day 1 (and even before day 1 because we annoyed him even before we sent our papers to start on the financials) he was nothing but helpful, and patient (we are not easy!) and understanding, not just of our wants but also our needs and our financial standard. Rusty went above and beyond for our first purchase, he truly did. Even took steps that I know for a fact he didn't have to, but he did to make this process smoother. We had hiccups and he helped us through it all and one of the things I appreciated the most, was that after we saw our first 2 homes - he actually took his time, at 8 PM at night, when he could have been home with his family, to give us a small "class" on what it will be like to be a homeowner specially on the financials part, which I truly appreciated because we had NO idea what we were doing when we started. What we loved as well was that truly, he really did make it as easy as he could on us. We both work full time, I work 7 days a week, I wouldn't have had the time if we went through a bank for example. He requested the least amount of time from us and it was perfect, truly was. Rusty, we truly thank you and we will recommend you to no end. Thank you for helping us find our first home! :)

Claudia

Kay is the best! I loved working with her and would recommend Kay to everyone.

Concie

Bought and sold a Single-Family home in 2019 in Parkland, FL. We first hired Rusty to do a re-finance on our home, he was a referral from a co-worker. Rusty was fast, knowledgeable, explained everything thoroughly and impressed us throughout the swift process. Rusty made such a positive impression on us that we decided to use him to sell our home AND to purchase our new one. We could have used a number of friends and family in Real Estate, but my wife and I agreed that Rusty was the best person for our specific needs and that decision ultimately paid off in spades - both figuratively and

literally. Not only was Rusty able to sell our home quickly to fantastic buyers, at a great price, but he negotiated the purchase of our new home to include upgrades and the specific amount of time we needed to make it all happen. Rusty's expertise, guidance, transparency, and professionalism made our dreams become a reality. Rusty is extraordinary and I would highly recommend his services to anyone looking to Purchase, Sell, Re-Finance, etc. A+++

Dan

The home that Kay Brown found for us is everything that we asked for. They were very attentive and did a great job checking in with us to answer any questions we had, but never annoyed us. They had a great balance. Overall, very satisfactory experience.

Darrell

I could not have asked for a better Realtor. Rusty patiently explained the entire process and answered my questions and concerns. His knowledge of the area and market helped me in understanding what he thought would be the best price for listing. Photos and write up of my home and property were lovely. All showings of my home were arranged with zero issues. I would recommend Rusty for any of your home purchase or sale transactions.

Deborah

My husband & I had the absolute privilege of working with Michael Wells of Premier Estate Properties in Delray Beach. Michael could not have been more pleasant, professional, knowledgeable & patient in helping us find the perfect home. Since we were looking long distance for a period of time Michael tirelessly sent us listings every week, made himself available for our often last minute visits & patiently answered my endless stream of questions about the area. In addition, he was always available to give us much needed advice. He consistently made us feel like he truly cared about the best living solution for our family. After the closing Michael has continued to provide suggestions for professionals to help with our home renovations & we look forward to a continued relationship in the future. I would highly recommend Michael Wells for any of my family & friends real estate needs!

Debra

Dear Ronnie, we want to take this opportunity to thank you for all your efforts to make our purchase of a property in Palm Beach a reality. We sincerely appreciate all of the weekend hours you devoted to helping us search for that perfect place. We could always count on you to have a perfectly timed route of places for us to check out, and a sense of humor even on the longest days! Most importantly, you stepped back and let us form our own opinions about each place before candidly letting us know what you thought. Thank you for not trying to steer us toward one property or another or trying to sell us a property out of our price range. We knew which condo had the perfect fit for us as soon as we walked in, and you took it from there...professionally negotiating all the details and making sure all of the loose ends were tied. We would definitely recommend you to a friend or acquaintance who is in need of an honest, professional, personable Realtor. We enjoyed spending all those hours with you to find our perfect place in paradise! With gratitude, Phillip & Denise Foreman

Denise & Philip

Since I began working with the Kay Brown Group, it has been a great experience. They do a great job and are very professional. They are also very knowledgeable about the market and it shows.

Drew

We just wanted to report that due to Jilly Cammisa's diligent service, we experienced a successful and uneventful closing sale of our property. Also, this was the result of her excellent representation. Jilly's personal knowledge of the Tropic Isle community in Delray combined with her enthusiasm and continual positive attitude brought a most satisfied buyer after numerable showings. Thank you, Jilly, it was a pleasure being associated with you.

Dick and Grace

Bought a Single-Family home in 2013 in Pembroke Pines, FL. Rusty was vital in our search for a new home. He had a great amount of patience with us as we searched through many homes before finding our perfect one in the perfect location. As new

homeowners we had no idea what we were doing. So, it is refreshing to get a realtor whose been a realtor for quite a while, knows his stuff, and most importantly, upfront and honest. Rusty gave us thorough reviews of the quality and history of homes through his experience and connections. When we found the right house, he got us the first showing and his know how landed us on contract quickly against many other bidders. He walked us through the deal, answered a billion questions, and got us in to our home on our original closing date. Unheard of now of days.

Dominick

I was told by other Agents that I would be lucky to get \$990,000 for my 1982-era Boca Bath & Tennis Club estate property. Premier Estate Properties' Colleen Nouhan conveyed the value of the community, lot size and location...and created a rendering for buyers of how my home could be re-imagined maximizing its value. Thanks to her unique vision, innovative marketing and educated personal showings, my house just closed at \$1.275 Million. I am thrilled!

Donna

Bought and sold a Townhouse home in 2015 in Coral Springs, FL. We would highly recommend Rusty Hanna as a realtor. He helped us sell our home and buy a new one. He made a very challenging and important process seem effortless. Rusty understood our needs both desirability and financially. He was selective in our showings and assured us they were within our range. He not only found our dream home, he guided us throughout the whole process- sell, buy, mortgage and insurance. It was a seamless one stop shop. Working with Rusty was a pleasure.

Dorian

Superb customer service. Outstanding inventory. Highly recommend the team at D'Angelo & Liguori.

Elizabeth

I highly recommend Gerry Liguori and the rest of the team at Premier Estates. They are the utmost professionals and have made the selling our home a very smooth process. I would encourage a seller or buyer of multi-million-dollar home to use their services.

They are second to none! I will personally use them in the future. Thank you, Gerry and all our best for the holidays and the New Year.

Elliot

Bought a Single-Family home in 2007 in Crescent Heights, Saint Petersburg, FL. I have worked with Rusty on several occasions, all with great results. He completed the purchase of our current home, the refinancing of a mortgage, and the sale of a previous townhouse for our family. He is very knowledgeable, always responsive, and a true pleasure to work with.

Eric

Knowledgeable, responsive, great experience with market. Kay really knows her stuff and is well respected by industry leaders.

Evan

Outstanding knowledge of market coupled with great service. Highest integrity of any real estate professionals I have ever dealt with. Would never consider buying or selling real estate in Vero Beach without Cindy O'Dare

Farid

The Premier Estate Team at the Delray Office is simply the best team ever! Pat Liguori and his son Antonio does an amazing job heading up that office. Their passion to satisfy their clients certainly trickles down to their entire team! There's always a warm and family-like welcome upon entering their modern and well-maintained office.

Professionalism at it's best from start to finish. Most realtors usually give a gift after the transaction is completed but what makes these guys stand out is the amount of thought and effort put into this process. They really get to know you and you become part of the Premier Estate family. They have so many clients but they still manage to make you feel as if all their time and efforts are given to you alone; I don't know how they manage to do it but I'm glad they do! I'll never use another real estate agent ever again as long as these guys are around! Keep up the good work guys!

Fayaz

To whom it may concern, I would highly recommend Ronnie for your real estate needs. He has a comprehensive understanding of the market and is dedicated to providing a win / win solution for closing a transaction. He stays in constant communication throughout the sales process and uses his established real estate connections to gain visibility for your property. The whole process was seamless and efficient resulting in a great experience. Best regards, Felix

Felix

Dear Ronnie, thank you so much for all your help selling my home. I have worked with many real estate agents throughout the years and you have impressed me the most with your level of expertise, knowledge, and professionalism. You worked hard to get us the best deal possible, and even when things got complicated on the buyer's side, you kept the balance between buyer and seller the entire time and navigated us through the situation to ultimately close the deal. Again, thank you for making such an involved process go so smoothly.

Francesco

Michael Wells is patient, understanding, and possesses a great "can-do" attitude. We are very thankful for all his advice and support!

Francisco and Mayra

Bought a Townhouse home in 2013 in Coral Springs, FL. Rusty had knowledge of the area I was looking in and knew exactly what I was looking for. He obviously works harder than other agents because he was the only one who constantly kept e-mailing me with new properties. Other agents just showed me a few property's and said that was all that was available. He always answers his phone and is always ready to help someone out.

Frank

Gerry is great. He addressed every question and concern we had. Best broker we have ever worked with!

Greg

Michael Wells and his staff are awesome! Always on the ball with answers to your questions and in general great communication and demeanor. His knowledge and guidance in the process helped us easily navigate the purchase process. Thanks for your help, Michael!

Gregg

Bought and sold a Townhouse home in 2012 in Sunrise, FL. Rusty and his associates helped me tremendously with the sale of my old property, and the purchase of my new home. They make these complex and frustrating processes very easy and painless. I recommend them 100%, due to their professionalism and knowledge level.

Hector

Have used many real estate agents in my life, and no one is better than Pat Liguori and his team. His knowledge of the market, marketing of the properties he represents, and number of showings cannot be beat. He is honest and completely trustworthy. There is no hype -- only honest suggestions about how to best show your property. I have had experience with other brokers in Palm Beach County, and believe he is the best and most experienced.

Heidi

Gerry Liguori was great! He conducted the entire selling process with the utmost professionalism and was indispensable for the success of the transaction.

Helio

Bought a Single-Family home in 2016 in Plantation, FL. As a first-time home buyer, I am particularly grateful for Rusty's patience and guidance throughout the entire home buying process. He was extremely responsive and worked hard to find solutions to anything that came up along the way. His warm and easy-going personality is an added bonus! Rusty is a professional in every way and I definitely plan on reaching out to him in the future. I would also recommend him without reservation. He is the best around.

Irene

Brian Ross was extremely professional! Always on time and very well dressed! It was a pleasure to work with him!

Isabel

We have over 15 years of experience with the D'Angelo Liguori team. The four transactions they have represented us as either a seller or buyer went extremely well. They certainly have an understanding of the market.

J.

We have lived in South Florida since 1982 and have had MANY interactions with Real Estate Professionals over the years. We have bought/sold numerous homes and it goes without saying that Colleen Nouhan is the MOST professional, conscientious and knowledgeable agent we have EVER worked with! She is smart, hardworking, always prepared, empathetic and a great listener. Just what a buyer or seller is looking for when they are about to make one of the most important decisions in their lives when it comes to a home. You would be remiss if you did not contact Colleen and let her share her credentials and expertise. You will not regret it. We are so thankful that Colleen came into our lives and could not recommend a more qualified real estate expert. We are honored and proud to recommend her to you.

J.

Colleen, we never expected you to put this difficult transaction together as the odds were stacked against us. We were thrilled when you called and said, "We have a deal"! Thank you for your patience and insight. You were a pleasure to work with. Jac & Nadine R

Jac & Nadine

To whom it may concern, I am writing to highly recommend Jennifer & Ronnie Hasozbek Garcia as a top real estate team. We listed our property in Palm Beach with them and could not have been more pleased with the entire experience. They are honest, diligent, very knowledgeable, thorough, professional and always available. I can safely say they are the best real estate agents we have ever worked with! Thank you

Jackie

Wow! Talk about friendly and outgoing service....these ladies have it!! They made me feel as if I was their only client. They were definitely the best that South Florida has to offer. Extremely pleased.

Jared

I am really happy with the way that Jeanine has dealt with everything. We haven't closed quite yet, but so far everything has been very smooth and she does a great job of returning my phone call and she is very knowledgeable in the entire real estate field.

JB212

Bought a Single-Family home in 2003 in Boynton Beach, FL. Mr. Hanna very helpful in finding me exactly what I wanted and stayed within my parameters to find exactly what I was searching for. I would highly recommend him to anyone looking for a house to buy or sell.

Jeff

Bought a home in 2011 in River Oaks, Fort Lauderdale, FL 33315. Rusty is a pleasure to work with. He assisted us in the purchase of a duplex 2 years ago and we are currently using his services to help us find our next home. He has great knowledge and understanding of the local market. I would recommend him to anyone.

Jeff

Working with Gerry was a wonderful experience from start to finish. He extensively covered every detail about the property and was very knowledgeable about the neighborhood as well. Honest and straightforward with us and always available to answer any questions we had. Went above and beyond! Can't say enough good things about our experience and wouldn't use anyone else in future real estate transactions.

Jennifer

Bought a home in 2014 in West Dixie Bend, Pompano Beach, FL 33073. We had a fantastic house buying experience with Rusty! He was actually the first Realtor we met in South Florida after moving from the Tampa area. I had anticipated talking to a few different Realtor's until we found one, we would like to work with but our search began

and stopped with him. As a young couple buying our first home, it was a little scary and we had a lot to learn. He was extremely professional and patient and very easy to talk to. He spent as much time as we needed talking us through steps to finding the right house, finances and much more. He was always on time, never made us feel rushed while looking at houses and was always positive when we had doubts. He truly helped us find the house that fit us, and we could enjoy and be comfortable living in financially. I highly recommend Rusty if you are looking for a Realtor that will give you the time and assistance you need in looking for a home!!

Jennifer

Gerry did a great job. Very professional.

Jennifer

Bought a home in 2009 in Cresthaven, Pompano Beach, FL 33064. As a first-time home buyer, Rusty was able to help me through the entire process of finding and purchasing my first home. He was always responsive, understood my questions and, most importantly, how to translate our conversations into a productive search that led to my first home purchase.

Jessica

My listing was marketed with the greatest skill. The professional video, online tour and brochures made everything look it's very best. This attracted a steady stream of qualified buyers. My property was not an easy sell being a bit out of town and surrounded by water but Cindy and her associated followed up every lead and successfully negotiated a sale while protecting me from the stress of moving from my home of 29 years. They made me feel like family.

Joanna

Kay did a great job selling our home so quickly! It was only a matter of weeks before she sold our house. So sad to see it leave - but it was time and I'm sure the new homeowner will love it as much as we did! Thanks Kay!

Joe

Michael Wells is the epitome of what an agent should be: polite, professional, responsive, thorough, digs deep for data and information and buttons-up every deal. The only negative: a coat and tie in Florida??? :)

John

Michael Wells is a spectacular real estate agent who exhibited superior communication skills in all phases of our home search and purchase. He steered us on making the best offer we could, which was essential in the competitive area we were looking in. Above all, he genuinely cared that all of our questions were answered, and all of our needs met. I would recommend Michael to anyone looking to purchase without hesitation or doubt.

John and Peggy

Thank you, Gerry! I appreciate your focus and attention throughout the listing, marketing, and sale of our property. Your experience, knowledge and patience were essential during contract negotiations and resulted in a smooth and successful closing.

Jon

Bought and sold a Single-Family home in 2011 in Boynton Beach, FL. I've known Rusty for years he has help me buy and sell 6 properties. He is very knowledgeable about real estate and has always given great feedback about the properties. He has also found tenants for my rentals. I would encourage anyone to work with Rusty and have referred many to him.

Joseph

Bought a Single-Family home in 2011 in Plantation, FL. Rusty patiently worked with us for over a year trying to find the right house. Rusty was always very responsive and flexible, working with our difficult schedules to assure we were able to view homes in a timely fashion. His knowledge of all the facets of buying a home made him a valuable resource, anticipating potential problems with the banks and closing, having a solution in place should any problems arise. I have recommended Rusty to friends, and he has since helped two of them purchase homes in Plantation. I would not hesitate to

recommend Rusty Hanna to anyone looking for a home, needing financing or assistance with closing.

Juan

We had a great experience with Gerry and his staff. More importantly, the sellers should be thankful for Gerry's representation. After some google searching, we stumbled upon the listing walkthrough video of the previous listing broker. We would have never clicked on or gone to look at the house in its previous condition. It was obvious that Gerry made some minor style recommendations to get the house in selling condition. The presentation is everything! Very happy with our smooth transaction!

Justin

Bought and sold a Single-Family home in 2015 in Fort Lauderdale, FL. Rusty is a one stop shop he works hard to please, and makes the deal happen. Rusty sold my old house and purchased my new house with me. Not to mention done all my title work, and mortgages. Everything has always closed on time without issues, I just show up and sign. Thanks again.

Justin

Sold a home in 2020 in Manor, TX. Rusty is a very knowledgeable realtor and has the tenaciousness to get the job done and does a great job working with both seller and buyers. He has a vast knowledge of how social media works and how to present the data to get your attention

Karen

Would highly recommend Premier Estate Properties. They did a wonderful job marketing our home. Our home was professionally photographed and videoed and Premier did a fantastic job marketing it. Our agent, Michael Wells was highly professional, extremely knowledgeable and gave our listing wonderful personal attention. The entire selling and buying process (we also purchased a home through Premier) was a stress free and wonderful experience!!!

Karen

Bought and sold a Multi Family home in 2016 in Coconut Creek, FL. I lived in my previous home for over 15 years, so when it was time to sell and look for something new, I was really nervous. Rusty was referred to me by a friend who had worked with him for years. He was very hands on and made the buying and selling process a lot easier than I expected. I would definitely recommend to my friends and family.

Karen

I worked with Kay and Jeanine at Premier Estate Properties and they were extremely caring through our whole process of working with each other which is something that I really appreciated.

Katie

Bought a Single-Family home in 2019 in Boca Raton, FL. I would highly recommend Rusty Hanna for your next home purchase. Rusty is an amazing realtor as well as mortgage broker. He made the home buying process very easy and stress free. He also worked to get a super competitive rate which beat out the competition. It was an absolute pleasure working with Rusty. He's extremely reliable, professional, and trustworthy. Thanks again Rusty and loving my new home!

Kaye

Brian Ross was amazing to work with!

Ken

We felt so fortunate to have had Michael Wells as our agent. He was extremely knowledgeable, always super friendly and always willing to help out. Whenever I contacted him via voice call, text, or email at any time, he responded within minutes. He either knew the answer right away or would immediately begin the process of finding the correct answer for us. We could not have been happier with his services.

Kingston

Bought a Single-Family home in 2011 in Country Club Estates, Plantation, FL. After using another realtor for over a year and getting very frustrated looking for a home to buy a friend recommended us to Rusty. He showed us one home, we told him it was the

one we wanted, and he made it happen. If there was an obstacle, he didn't give up he found a solution and helped us get our dream home.

Kristen

Bought a Single-Family home in 2018 in Lake Worth, FL. Rusty was prompt, thorough and attentive when it came to buying our home. What we thought was going to be a headache with purchasing a short sale turned into a pretty smooth transaction.

Kristen

Bought and sold a Single-Family home in 2014 in Boca Raton, FL. Rusty helped us step by step through the entire selling and buying process. His knowledge and expertise made the experience a breeze from beginning to end. Couldn't be happier with him and would recommend him to anyone.

Kyle

Topnotch realtor in every aspect. Kevin was prompt, highly professional and knowledgeable in helping us get our new home. His strong communication skills, along with his keen intelligence of the real estate market is what separates him from all other agents. He knows quality and you can count on him to show you the best Florida has to offer.

Lagrosso & Lagrosso

The overall experience that I had with Kay Brown at Premier Estate was very good. If it were to come up in my future, I would definitely work with Premier Estate again.

Laura

Michael sold our home in Delray Beach recently. He was not the first Realtor but definitely the last that we will need...Michael was professional, thorough and easily reached. He is helping us select our next home in Delray Beach.

Lauren

Cindy is relentlessly optimistic, always energetic & fresh. She has consistently been loyal to me as a seller. As a former broker, with 40 years of experience-I've rarely

experienced brokers & agents understanding the sellers point of view, intuitively knowing how to make a deal...all the timing & talent required for success...but Cindy simply defines all these talents. She simply has the whole package!

Lee

Michael Wells was extremely helpful in making this process smooth and less daunting. He also had a great sense of what type of home we were looking for after seeing just a few houses with us, and that was very helpful, saving us a lot of time and energy. He must always be on email since he replied in record time to our queries, and if he didn't know the answer right away, he'd reply and say he'd follow up. And the best part, he actually would follow up! We highly recommend having Michael as your agent. He is diligent, easy to work with, and very personable.

Leslie

Michael Wells was a complete professional, every time I worked with him. Always pleasant, knowledgeable, followed up on every detail, kept in touch about progress, answered all my questions and was complimented at settlement by the other agent. He did a wonderful job and I would recommend him or work with him again in a New York Minute.

Linda

We recently moved to South Florida from the New York metro area, and everything about our search for a new home here was completely new to us. Yet Antonio Liguori helped us feel as if we were successful veterans in this housing market. From his knowledge of the available inventory to his familiarity with intimate details of the properties, and every minute detail of the transaction process; every detail was promptly attended to and every question answered. When we finally decided on the right property for us, his ability to manage the transaction through to a successful closing was immensely valuable and of the highest integrity. And, on top of everything, his attitude and demeanor were most pleasant and professional. We would recommend Antonio and his firm without hesitation and will use him with sincere pleasure on our next transaction here.

Lon and Michelle

Brian was extremely professional and very knowledgeable. It was a pleasure to work with him!

Lou

We have had the opportunity to purchase and sell homes with Kay Brown. Kay and Jeanine are 5 star agents whose reputation as being honest and hard working is known throughout the community. We would not hesitate to recommend Premier and have done so many times!

Louise Kappus | Home Seller & Home Buyer

To whom it may concern, I just purchased a home in West Palm Beach. I went through Waterfront Properties and Ronnie Hasozbek-Garcia was my agent. He knew I was moving back to Palm Beach from California. I was looking in West Palm beach, which was new for me, and I really didn't know much about the real estate in that area. I had lived on the Island of Palm Beach for 16 years. While I was in California, he was always looking for something that I would love and feel comfortable living there. He found me the perfect home in El Cid, a charming neighborhood in West Palm Beach. He handled every aspect of the transaction, working with my bankers, and everything was done, no problems. I highly recommend Mr. Garcia to anyone looking to purchase a home anywhere in the Palm beach area!! Sincerely, Lynda Foster

Lynda

Kay Brown and team did an outstanding job. The contract was ready, as well as all the many papers to be signed, all in perfect order. All the experience combined makes for a Happy Homeowner.

Lynn

Colleen has a sixth sense when it comes to joining buyers and sellers in a transaction. She listens very carefully and remembers all details. She sold my home in 45 days because of her excellent listening and intuitive qualities.

Lynne

Michael Wells guided us tirelessly through searching for the right house and then the long process of buying the house (we are European, and this complicated things with the banks). Michael was not only a real estate expert but also a diplomat and mediator between all the parties involved, keeping the process on track and everyone cooperating optimally. He and his team were extremely friendly and helpful for all the concerns I had about the house, not just financial, also recommending professionals. My husband and I now are thrilled about our absolutely gorgeous house! And we owe a lot of our calm and level-headedness on our long way here to Michael.

Marc and Emilie

We cannot encourage enough for sellers or buyers to use Kay Brown and Premier Estate Properties. We have been in both places and we received the best best attention, direction, and support. We have moved often but each time you sell a home it is new territory and this group of professionals were there with answers and help at every turn. Buying has its own set of challenges and again they were there with excellent advice and knowledge of the area, so very valuable.

Marcia

Kay Brown is amazing! Professional, caring, and successful!!

Margaret

I had a wonderful experience with Premier Estate Properties. The staff was extremely professional, trustworthy, and honest, which I really appreciated. I would absolutely recommend Kay Brown and Jeanine Harris!

Mark

Bought a Single-Family home in 2017 in Parkland, FL. Rusty helped us search all over West Broward for our dream home. He offered great insight to the areas we were looking. Was always quick to respond to any messages we sent him. I highly recommend him to anyone looking to buy or sell. You can't go wrong with Rusty.

Mark

In my time working beside Luke he provided excellent customer service to his clients and achieved many sales by being fully knowledgeable of his product and aware of

every customer's distinct needs. He deals in very high-end products and conducted himself in a professional manner always putting his clients at ease as he helped them to make important decisions. I would recommend Luke over and over to anyone seeking a result driven sales professional.

Mark

Bought and sold a home in 2007. A HIGHLY overlooked aspect of the real estate process is FINANCING. I have been a client of Rusty's for many years and he has handled numerous transactions for me on the mortgage side of things. In my humble opinion, there is NO ONE better. He LISTENS, he EXPLAINS, and he does what he says he is going to do. As most people know, it is all about who you surround yourself with. There isn't anyone I would ever have work on my Real Estate or Mortgage transactions other than Rusty. In a life-changing event such as this, let Rusty handle this aspect while you handle what is most important, your family. You WILL NOT be disappointed.

Martin

We could not recommend Michael Wells more highly. He shepherded us through a pretty tricky offer and closing process with quite a few wrinkles that came up, and we managed to get it done in just about a month in time for the move-in date we wanted. I don't think Michael could have possibly been more available -- we always knew we could reach out to him and get a prompt response, even after hours. We had never bought a home before and were unfamiliar with the area, so this was an understandably stressful process for us, but we could not have asked for a realtor who worked harder or was more available for us. I would highly, highly recommend working with Michael.

Martin

Cindy and her team in selling my house, delivered through-out the process an exceptional level of professionalism. This was underpinned by their market expertise, network of potential buyers, negotiating skills and being nice people. Most importantly, they never over-promised and underdelivered. I would have no hesitation in utilizing their services again.

Martin

Kim and Judy are amazing. This is my 3rd house in 10 years, and they represented us in the buying and selling of all houses. They are professional, focused, knowledgeable, and work 24/7 to create the best experiences for you whether you are buying or selling or both. Mary Ann Belliveau October 25, 2018 Judi Lukens is the most amazing realtor I have ever worked with! She is smart, knows the market very well and is extremely caring, patient and dedicated to helping you find the right home! I have worked with Judi both to sell a home and to buy a home and she is amazing! I have nothing but the highest praise for her and would be happy to work with her anytime!

Mary Ann

Kay Brown and her partner Jeanine Harris helped us find the perfect house in Vero Beach. They are both true professionals.

Marzia

Gerry Liguori from Premier Estate Properties just represented us in purchasing a new home. He has represented us in a number of deals over the years. Gerry is very professional and has a good knowledge of the market. We give him our highest recommendation.

Matthew

Bought a home in 2014 in Sunshine Ranches, Fort Lauderdale, FL 33330. This was our second time buying a home and I can say with 100% confidence that it was a MUCH better experience this time around thanks to Rusty. If you are looking for a realtor who is responsive, quick and knowledgeable - stop looking! Rusty handles everything professionally and efficiently. I have already recommended him to all of my friends.

Melissa

We had a great experience with Gerry. I truly believe we would not have sold our home in such a timely fashion without him. And he cares a lot!

Melissa

Bought a Single-Family home in 2012 in Boca Raton, FL. I have used quite a few Realtors in the past, some of which were Ok. Rusty was referred by a friend of mine so we decided to give him a shot. He made our purchase fun and really easy, what I didn't realize is that Rusty is basically a one stop shop, he handled every aspect of the transaction (loan and title also). I would highly recommend Rusty to anyone who would like to simplify the whole process of buying or selling a property.

Michael

Bought a home in 2014. I had Rusty recommended to me by my brother-in-law and I am really glad he did. The entire process of purchasing my home was easy from day one! He was extremely responsive to any questions or concerns I had and always took care of things in a timely fashion. He is quick to reply to both emails and phone calls. He has extensive knowledge of the ENTIRE real estate business including mortgages which was a huge help to me. I would highly recommend working with him! I will certainly be referring him to my friends and family.

Michael

Bought a Single-Family home in 2018 in Coconut Creek, FL. Rusty helped me close on my first home just last month. As a first-time home buyer, I was initially very nervous and intimidated by the whole process, since I really had no idea of all the things that it would entail. Rusty, however, was able to explain everything in a way that I could understand, which really helped put me at ease. He took care of virtually everything, from arranging the inspection, the appraisal, the financing - all while always being available to me if I had any questions or concerns. He made the process feel seamless and really went above and beyond to make sure that everything was done in a timely manner. Most importantly, I never doubted that he had my best interest in mind as his client. He has already helped my family with several real estate transactions, and I highly recommend him to anyone else.

Michelle

Bought and sold a home in 2018 in Circle, MT. When we were in the market for a home, we knew exactly where we wanted to be. A new home popped up in the exact place we

wanted to be and so we contacted the realtor without hiring our own, knowing that if we liked the house, we wanted it and didn't want a hassle. Rusty from the beginning "got it" and to streamline things, we have Rusty our house listing as well to help streamline things and eliminate too many moving parts. Little did we know how many moving parts there would turn out to be. Rusty kept us updated the whole way, looked out for our best interests and got our sale and purchase done within the parameters we needed allowing us to sell our home for a great price and get into the house we had always hoped for. Rusty is a stand-up guy and he knows the importance of his clients' needs. As hectic as this process was with so many things needing to happen, he made them happen and we couldn't be happier! Thanks, Rusty!

Mike

Bought and sold a Single-Family home in 2017 in Parkland, FL. Rusty helped us to sell AND buy a house in a matter of a couple of months. From the buying side, he was always great with knowing areas, and what was the best available where we were looking. Then, when we changed our desired area up on him, he was so flexible and knowledgeable with our new requests. With each house we were interested in, he was great with providing his expertise on the best way to approach the transaction, and always with great patience, responsiveness, and happiness. Also, after we purchased our house, and we ran into follow-ups with the seller, he was always there for us to handle everything. From the selling side Rusty was just as great. Helping us through all our questions and concerns as first time sellers, and always ensuring that everything was done in our best interest. He made the process so easy going and fluid, couldn't have asked for anyone better! Couldn't recommend Rusty highly enough, for the next time you are looking to buy or sell a home!

Monica

Carmen D'Angelo is the best of the best! Honest, trustworthy, professional. I have bought numerous properties over the years. Never really trusted real estate agents to be transparent and 100% truthful, but I call Carmen on a regular basis for advice on the market and real estate I own. I have bought two homes from Carmen, the first was \$7.3 million. More recently I bought a home for \$10 million. The latter is one of the best real

estate investments I have ever made. Carmen knows the market, he knows the trends, he is my #1 go-to guy for advice in Palm Beach County. I am about to give him the listing to sell my other home.

Nelson

One of the best high-end real estate firms in Vero Beach! Kay Brown and her team always do an amazing job. Cannot ask for better customer care and the service Premier provides its clients is stellar.

Nicholas

We engaged the services of Premiere Estate Properties, and specifically Mr. Gerard Liguori to sell our home in Boca Raton, FL. Gerry was diligent and worked tirelessly until the sale was completed. His communication with us on an ongoing basis was constant, and insightful. The house had served us well for many years, yet Gerry's intuition convinced us that by making certain changes to the aesthetics and furnishings would create greater interest in the property. He was correct. Mr. Liguori's suggestions were all well thought out. He was personally involved in the transitions and kept us apprised of his vision and motivation. I can sincerely recommend the services of Premier Estate Properties, Gerard Liguori, and his team. They are knowledgeable of the market, take a hands-on approach, and treat their clients respectfully. Most importantly, they get the job done.

Nicolas

Kay Brown did a great job selling our home quickly. She was open with us through the entire process and I always felt that we were in the loop. I would definitely use her as a realtor again if the occasion was to arise again.

Olivia

Bought and sold a home in 2014 in Boca Del Mar, Boca Raton, FL 33433. Rusty was such a pleasure to work with! He made the whole experience very enjoyable. He sold our house and then found us a new home to move into. He also was very

knowledgeable and answered all my questions (I had a lot of questions!) I will be recommending him to all my friends and family.

Oona

Bought a Single-Family home in 2019 in Country Club Estates, Plantation, FL. As a Realtor, Rusty did a great job of finding a house within our budget range and in a very small market of available homes for sale in the neighborhood we wanted. He also was very understanding helping us navigate through the process of acquiring a VA Loan as our Mortgage Broker.

Pam

Bought and sold a Townhouse home in 2015 in Mission Bay, Boca Raton, FL. Rusty is an amazing professional! He came highly recommended to us through a friend who was very happy with her new home. Rusty helped us to sell our home of 25 years--which means he really needed to bring us up on comps. He did that by providing much more than selling prices. He seemed to know many homes in our area and in what ways those homes differed from ours. We were able to price our home well and we got a contract within two weeks! Rusty also helped us find a lovely condo, to buy, in an area previously unknown to us. He did a great job of showing us a sample of 7 different areas and homes. We found our perfect, lakeside condo to meet our desire to downsize. Rusty is a great partner to have when selling, buying, mortgaging or exploring the real estate market! I've recommended his services to several friends, already. Thank you, Rusty

Patricia

To whom it may concern, I have bought and sold many properties. Like many people in my position, the quality of real estate agents I've worked with runs the gamut. Ronnie stands head and shoulders above every agent I know, and there are myriad reasons. He has worked with all of my strange contingencies and leveraged my position with aplomb. I have put him through the ringer, and he is always there to serve with a smile and valuable feedback. Most recently, I was in a very tight time crunch and needed to find my ideal house in one week. He lined up 15 showings in one day, and I am now

living in a better home than I initially imagined. I'm a complicated client, and Ronnie never made me feel that way. The next time I'm in need of a real estate agent, I won't hesitate to reach out to Ronnie and neither should you. I highly recommend him!

Paul

Bought a Townhouse home in 2017 in Old Pompano, Pompano Beach, FL. The man is a genius! My wife and I have used Rusty for multiple real estate deals. He is extremely knowledgeable in ALL aspects of both real estate and mortgage brokerage. Fast closing and top dollar! We wouldn't use anyone else!

Pete

Joe was very responsive and knowledgeable about the properties that I had him research for me. I look forward to working with Joe and his team at PEP in the future.

Peter

I have worked with Kay and Jeanine a couple of times now. They are brilliant. Both are definitely best of the best and do a great job conveying that. I am so happy with them and what they have done for us. Thanks!

pjacobson66

I have known Gerry Liguori for over 30 years, and he has assisted me in multiple transactions. Having been in the real estate business 40 plus years, I can say that Gerry's outstanding work ethic and his knowledge of real estate has made each transaction a pleasure. His dedication to finding the perfect property on each occasion is second to none. I would highly recommend contacting Mr. Liguori and let him assist you in finding the perfect property and/or in selling your current home.

R.

Bought and sold a Single-Family home in 2018 in Lake Worth, FL. Rusty helped us sell and then buy our new home. It was a complicated deal, but all 3 homes settled quickly. He was knowledgeable, prompt to answer our questions, respectful and fun to work with. I would recommend if for all your real estate needs.

Renie

We worked with Kay and she did such a great job for us. We were downsizing and she sold our home in less than 2 weeks! It was a very positive experience working with her.

Rita

We have done 4 transactions of real estate with Cindy O'Dare and Clark French each time leaving us feeling completely satisfied with all phases of the process. They have always provided us with all the "extras" that make the turmoil of real estate transactions go so much more smoothly. Their staff of support people have been beyond professional, responsive to all situations, and facilitated each step working closely with Cindy and Clark. The "special" ingredient provided by Cindy and Clark is their intuitive interface with prospective buyers, other realtors, and us. The bottom line is that they get the job done and take all the anxiety out of the process. We could not recommend them more highly!

Robert

If you are in the market to buy or sell multi-million property in the Boca Raton area, this is the team you need to work with. They are very professional and knowledgeable and have an internal marketing department that is second to none

Robin

We had a wonderful experience with Premier Properties in Boca Raton. We absolutely loved working with Joe Liguori and Carmen D'Angelo. Their expertise with this market is evident and was truly key in getting our house sold. We would absolutely work with them again in the future!

Robyn and Alex

Ok, first Pascal and Antonio are the most professional people I have ever dealt with in the real estate business. Their courtesy goes far beyond exceptional. I am still stunned with disbelief that they could get a decent offer on my house or find me a buyer. If I may suggest on thing it would be this to them. Suggest to the seller a handful of helpful hints that are really basic to staging the house and guide them how to do it. I know staging is not what they do but I could have saved \$ 40,000.00 up front and feel I did a better job at it than the company they recommended for staging. Again, I have nothing but good

things to say about Antonio and Pascal. They work hard and tried hard for me. It's just a shame we never got to the finish line. I almost feel as bad for them as I do for myself. As I told them when I listed back in January of 2016 the market is in fundamental downslide. I fear for my future with the high cost of living and now sitting on 2 houses with property taxes and insurance. It was a poor decision on my part to try to build and downsize thinking they would have no trouble getting me somewhere in the neighborhood of a reasonable offer on my larger home. The bottom line is for whatever reason we could not get the job done. Kindest Regards, Ron Walblay

Ronald

Sold a Single-Family home in 2019 in Southwest Ranches, FL. I knew the moment I decided to list my home for sale the key to selling it was to find the right realtor. I hired Rusty and sure enough he executed the task with flying colors. My property was unique to say the least and it took finding the right buyer to make the deal happen. Rusty found the right buyer and brought the sale home. I highly recommend him for any and all real estate matters. Roxana Pio.

Roxana

Bought a home in 2011 in Victoria Park, Fort Lauderdale, FL 33301. Rusty always has an immediacy of response and professionalism that puts the client first. We searched a great deal and requested to see many properties before we found our home and the entire time, Rusty was focused and a thought partner to make sure it fit our goals. We love our place!

Ryan

Sold a Single-Family home in 2018 in Parkland, FL. My wife and I utilized Mr. Hanna's services to sell our custom home priced in the 1 to 3 million range located in Parkland Florida. We found him very professional, always on time, followed through with every requested we asked of him, and ultimately sold our house at a fair market price. We would use his services again in the future!

Russell

When my husband and I were interested in purchasing a home in Palm Beach, we called Ronnie Hasozbek-Garcia. He was representing a beautiful home that we toured. It didn't have enough bedrooms for our family so Ronnie took us under his wing and began sending us listings that he thought would meet our needs and making appointments to meet us whenever it was convenient for our schedules. He found us our dream property and was incredibly resourceful and helpful in helping us make this dream become reality. His demeanor was so pleasant. He was persistent, professional, creative and filled with integrity. We definitely trust him and will recommend him to our friends looking to buy a property in the area. We were thrilled with the outcome and can't wait to move in!

S & M M

Kim Lekas and Judi Lukens are the best! They are always professional and resourceful in all aspects of the sale. From marketing of the property through closing, they are always available and diligent in all their efforts.

Sally and Adam

Our experience working with Kevin was excellent. He provided us with both his local expertise and knowledge while giving us the ability and space to make our own decisions. He was both extremely professional and personable. I would recommend him to anyone looking to buy or sell in the area. We will certainly choose Kevin for our next real estate transaction here in Florida.

Scott

Michael Wells is an exceptional real estate agent. He listens carefully to your housing desires and tailors the viewings of potential properties appropriately. He is extremely fair and thorough and does not pressure the buyer in any manner. I cannot express enough how attentive Michael is. He responds to your questions and concerns immediately with solutions and follows up on all issues. Michael is who you need and want when looking for a house. He has your best interest, without pressuring you. He will fight for you. He is honest, ethical and has an awesome personality. The best there is.

Sean

Michael Wells is an amazing real estate agent and you will not be disappointed in the level of service that Michael provides during the entire process of buying a home. He is extremely personable and thorough. I had the pleasure of working with him not once, but twice. His knowledge, professionalism, patience (it has been said that I am very demanding and picky), and responsiveness are unrivaled. He displayed superior knowledge about the current market in terms of mortgages, and the availability of houses in our selected area. He listened to "what we needed in our next home" and recommended houses that met those requirements. He made our search for a new home fun, and exciting. He was an excellent negotiator. Because of Michael's integrity and dedication in assisting us in finding the "right" home for our family, we highly recommend Michael. If you are looking for an agent, choose Michael Wells. You will not regret it!

Shena

Colleen is a highly knowledgeable, responsive, and results-oriented real estate agent. What truly sets Colleen apart is her willingness to go the extra mile. In selling our home, Colleen was highly engaged, and she consistently looked for opportunities to enhance the home with modern staging and economic and simple upgrades. I would strongly recommend Colleen

Stephen

We have bought and sold many homes, including selling two with Colleen and Premier Estates Properties. She is meticulous as to all details, highly responsive and strategic. Colleen is also creative to help consummate deals, and then she works hard to ensure the sale closes. I highly recommend Colleen and Premier Estates Properties.

Stephen

Dear Ronnie and Jen; We're glad we finally have the opportunity to share the experiences we've shared working with your organization. I think many will find them inspiring-not only those considering your services, but perhaps your associates as well. When we decided to relocate from Ft. Lauderdale, unfamiliar with Palm Beach, we reached out to a few agents looking for some education. Most of your competitors were too busy, or unresponsive. Ronnie and Jen thought differently. The third house we

viewed became our happy home for 5 years. When our travel schedules led us to the decision that a condo was more in keeping with our needs, we were thrilled to learn that our home might be worth 60% more than we paid. At this point, we were savvy Palm Beach residents and we turned to a succession of realtors, with apologies to the Hasozbek-Garcias for choosing competing firms. But Ronnie stayed in touch. Eighteen months later, unsuccessful, we asked Ronnie to help, hoping that our “disloyalty” would not be an issue. With a new strategy and re-marketing hardly complete, we were packing and considering back-up offers simultaneously. The Hasozbek-Garcias found our new home, and we’ve gotten the team involved with our investment properties. What better endorsement than a satisfied client who has returned? Thanks for your professionalism and friendship.

Stephen & Randy

Kim and Judy are amazing. This is my 3rd house in 10 years, and they represented us in the buying and selling of all houses. They are professional, focused, knowledgeable, and work 24/7 to create the best experiences for you whether you are buying or selling or both.

Sheryl

There are not enough stars to describe our experience with Gerry Liguori and his team, including Colleen Nouhan. Gerry communicates regularly, gives spot on advice and is highly responsive. Unlike many firms, Gerry personally handles appointments and open houses, along with Colleen, who is also highly experienced and professional, to ensure our best foot was always put forward with every opportunity. I highly recommend Premier Estate Properties.

Steve

Michael Wells is a very professional agent, very attentive, and diligent. He helped us to get our condo at the best price.

Shing

We were very pleased with the sale of our beautiful home in Old Floresta. The advice and guidance we received from Gerry were invaluable and had led to the successful

completion of this deal. Thank you so much. Your dedication and caring are truly remarkable.

Shirly

Dear Ronnie, I have been meaning to write this note for some time. We are finally almost settled in our new house and I have you to thank. Your insight, perseverance, and taste (!), helped us find the place that we now call home. Not only did you manage to sell our house on Seaspray in record time when 2 prior agents had failed, but you also managed somehow miraculously to find us a perfect rental for our discerning family of 6. And less than a block away at that! You make it seem so effortless and easy, you are truly a broker like none other, and a delight to work with. Always good humored, willing to do whatever it takes, dedicated and reliable, in an industry that isn't always pleasant. I miss working with you - alas we don't plan to sell our current house anytime soon. But whenever anyone asks me if I can recommend a broker, you should know that I always tell them about you. Thank you for your outstanding professionalism, your upstanding contributions to the community, your good spirit and karma, and your friendship. I like to think of us as friends. Can we schedule a Starbucks coffee soon?

Tatiana

Brian was great to work with. His assistance to prepare the home for sale was amazing. Very professional.

Terry

Bought a Single-Family home in 2016 in Boca Raton, FL. Rusty was great. We challenged him because we narrowed our search to only one community, but he went above and beyond for us time and time again and helped us find a great home in short time frame. I would highly recommend Rusty to anyone.

TW

Bought and sold a Single-Family home in 2011 in Santa Barbara Shores, Pompano Beach, FL. I have bought three homes and sold one using Rusty. His professionalism,

follow-up and attention detail make the process go smoothly. I would most definitely recommend his services.

Tyler

Bought and sold a home in 2013 in Coral Springs, FL 33071. My family and I have worked with Rusty to purchase 2 homes. Words cannot express our gratitude towards Rusty's hard work and dedication. His knowledge, expertise, and customer service is outstanding. We would highly recommend his services without hesitation.

Unknown

Bought a Single-Family home in 2003 in Boynton Beach, FL. Mr. Hanna very helpful in finding me exactly what I wanted and stayed within my parameters to find exactly what I was searching for. I would highly recommend him to anyone looking for a house to buy or sell.

Unknown

Bought a Single-Family home in 2018 in Coral Springs, FL. My husband and I were so nervous going into this situation. We knew very little about buying a house, but Rusty changed all of that. He completely broke everything down to a point that it was easy to understand. I could not imagine going through this process with anyone else.

Unknown

Bought a Single-Family home in 2007 in Lake Worth, FL. Rusty was extremely helpful and responsive during the whole process of finding a home and closing the deal with the seller. It was a challenging and complicated process since the home was a short sale and our offer had to be approved by two lenders. In the end, it went as smoothly as we could have asked for and we couldn't be happier with our house. We are also using Rusty with our rental property we trust him so much.

Unknown

Bought a home in 2012 in Pompano Beach, FL 33076. Rusty was amazing and helped us find out dream home. We wanted to find a home in a specific neighborhood and there was no inventory. But that didn't stop Rusty, through his contacts he actually found a home that was being rented, contacted the owners who were out of state and

negotiated a purchase price that was in our range. Without him there is no way we could have found our dream home. I have worked with several real estate brokers and his knowledge and professionalism is second to none. I would HIGHLY recommend Rusty for any real estate transaction.

Unknown

Cindy was able to quickly understand our needs and direct us to the most appropriate houses narrowing down our search. She is an asset to the community and understands client's needs. She is full of poise and grace and helped make the transaction seamless.

user1249846

Bought and sold a Condo home in 2011 in Lauderdale West, Plantation, FL. Mr. Hanna was at our side for the entire process. His knowledge of the area far exceeded other realtors and his attention to detail was spot on. I've already recommended him to both family & friends that are presently in the market. Buying a house is very stressful, but with Mr. Hanna everything went smoothly, and we are delighted with our new property! Thanks, Rusty!

user58049504

At our first meeting, you and your father Pascal advised us, despite the slow summer months, to go ahead and list our property. This was your first bit of good advice. We agreed on a reasonable asking price and were off to an impressive start. We had a good number of showings and a solid potential buyer within four weeks or so. Your Photographer is excellent and did a fabulous job of showing our home online. With your help and advice, we got through inspections, survey and title company challenges and closing took place ahead of schedule. Antonio, we have been through numerous home purchases and sales over many years. Aggie and I have never dealt with a more honest, sincere warm and caring real estate professional. It was an absolute pleasure working with you and getting to know such a fine young man. Your Dad is well known in the industry and enjoys a wonderful, well-deserved reputation... you mirror his image.
