

Scope of Success Podcast from PMILIC

Scope of Success is a new podcast for business life lessons sponsored by PMI's Long Island Chapter. Co-hosts Brian and James interview thought leaders from various industries and talk about project management, offer career advice and share stories of success. Brian and James interviewed Andrew Tarvin at the PMINYC December Monthly Chapter meeting. You can hear that interview, as well as many others by subscribing to the podcast on iTunes or at scopeofsuccess.libsyn.com. Find more information about the show's guest on Facebook at facebook.com/sosthepodcast and follow the show on Twitter @scopeofsuccess." PMINYC members are welcome to share ideas or suggest topics and guests for the show by emailing scopeofsuccess@pmilic.org.
