How it Works

& Who Qualifies?

We integrate our platform onto your applicant tracking system (ATS) or onboarding system, where we screen new hires for tax credits and Medicaid eligibility.

Qualified employees often include:

Food Stamp recipients

TANF recipients

Veterans

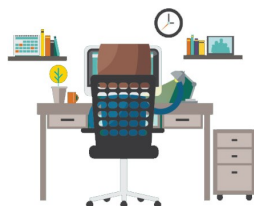

Those who were recently unemployed.

WOTChealth Connects You With These Government Benefits

Work Opportunity Tax Credit (WOTC)

WOTC is a federal tax credit available to employers for hiring employees in targeted groups who traditionally run into barriers to employment— WOTC tax credits range from \$1,200 - \$9,600. We gather information online or through phone centers for employees.

Medicaid Migration™

Medicaid Migration™ identifies and enrolls qualifying employees in free government sponsored health insurance, dramatically reducing employer health insurance costs by lowering employer plan participation.

Boost Your Savings with State Tax Credits

WOTChealth bundles enterprise zone Credits with WOTC tax credits, multiplying savings.
