

In Loving MEMORY

Today, we honor the
lasting legacy of two
remarkable women whose
dedication helped shape
our association.

Beth Thomasson

Past Executive Officer
HBAWV

Regina Skeen

Past Executive Officer
HBAWV

Their leadership, commitment,
and countless contributions
strengthened our association
and left an enduring impact on
our members and the residential
building industry across
West Virginia.

Though they are no longer
with us, their legacy continues
to inspire those who follow in
their footsteps.

*Thank you, Beth & Regina.
You will never be forgotten.*
