SYLKE KNUPPEL, PE
KIMLEY-HORN & ASSOCIATES, INC.

Engineering, Planning, and Environmental Consulting
Solutions that Build Stronger Communities

Kimley-Horn and Associates, Inc. (Kimley-Horn) was founded in 1967 (59 years ago) by transportation planners and traffic engineers in Raleigh, NC. Today, Kimley-Horn is a full-service engineering, planning, and environmental consulting firm with more than 9,900 employees nationwide.

Sylke lives in Shepherdstown, West Virginia and brings valuable local insight and on-the-ground support in the region.

WHAT DOES YOUR BUSINESS DO? SPECIALTIES?

We offer comprehensive services in the following practice areas:

- Aviation, Community Planning, Development Management, etc.

WHAT AREA DO YOU SERVICE?

Kimley-Horn serves clients across the United States with 9,900+ employees in more than 160 offices nationwide. Our planners, urban designers, engineers, and landscape architects provide community planning, transportation planning and engineering, water/wastewater engineering, site planning and design, and a broad range of related services to deliver practical solutions that consistently exceed our clients' expectations.

Within the District of Columbia, Maryland, Virginia, and West Virginia, Kimley-Horn supports clients with more than 300 professionals across 11 offices. Sylke Knuppel serves this area practice, bringing deep regional knowledge and access to Kimley-Horn's full national resources.

Sylke lives in Shepherdstown, West Virginia and brings valuable local insight and on-the-ground support in the region. Kimley-Horn is continuing to expand our presence in West Virginia, with more than 560 projects completed in the state to date. Our experience spans a wide range of project types, including residential communities, industrial, retail, and roadway improvements in coordination with the West Virginia DOT. Sylke is committed to growing Kimley-Horn services and deepening our impact across the state.

RESIDENTIAL DEVELOPMENT

WHY DID YOU JOIN THE HBAWV?

I thought it imperative to join HBAWV to stay connected to West Virginia priorities and issues. I met the Executive Director and several others at IBS and have been engaged ever since.

WHAT ATTRACTED YOU TO THE HBAWV?

I grew up in a building family and have always loved the idea of helping others achieve the American dream through homeownership. I love what this industry does for families and the value we create in the economy. And have met so many hardworking, wonderful people through what we do.

IF YOU HAD ONE PIECE OF ADVICE FOR SOMEONE STARTING, WHAT WOULD IT BE?

I would recommend someone joining or starting to get engaged and get to know the other members and leaders. It's a great way to stay informed about what is happening in the industry and to learn about and even help steer advancements and changes.

DO YOU WORK WITH OTHER HBAWV MEMBERS, AND IF SO, PLEASE LIST IF YOU WOULD LIKE:

I am not sure if our teams are working with HBAWV members in WV but we engage in HBAWV events regionally and have strong relationships with many HBAWV members.

HOW HAVE YOU/YOUR BUSINESS BENEFITED FROM BEING A MEMBER OF THE ASSOCIATION?

Staying informed about local and regional changes. Attending the caucuses at IBS is another way to meet leadership and other members.
