

The best Memory Matters

Triathlon Challenge incentive is knowing you're helping to make life better for people living with the impact of memory loss – but a little recognition never hurts! Set (and crush!) a fundraising goal that feels right for you. We'll be here cheering you on as you go!

* Raffle incentive drawings include:

The incentive drawings will take place after the event donation period closes on September 26th (1 incentive per registrant). All gift cards will be mailed or emailed. All incentive winners will be identified in the post-event email sent September 26th.
