

EARLY LEARNING COALITION OF BREVARD COUNTY

We are launching your child's future

The mission of the Early Learning Coalition of Brevard County is that each Brevard child will start school prepared to succeed. We provide leadership and support for School Readiness and Voluntary Prekindergarten programs so that children and families can benefit from the highest quality early care and education at affordable prices.

OUR PROGRAMS

The Florida School Readiness (SR) program offers financial assistance to eligible low-income families for early education and care so they can become financially self-sufficient, and their young children can be successful in school.

VPK is a FREE educational program that helps prepare 4-year-olds for success in kindergarten and beyond. School-year, Summer, and Specialized Instructional Services programs are available for all schedules and needs.

Child Care Resource and Referral services helps families locate quality child care and early education programs, and other important community or state resources and financial assistance strategies based on the family's needs.

OUR YEAR BY THE NUMBERS

TOTAL PROVIDERS

“Education is the golden key to the future – and it all begins in early childhood. The investments we make today are not just in children, but in the kind of country we want to be: innovative, competitive, and compassionate.”

– Alan Bergman, Chairman, Board of Directors

TESTIMONIALS

"I currently have two toddlers (9 months apart) if it wasn't for your assistance, I do not know how I would be able to afford quality, safe, and reliable daycare."

"Our Little Free Library was donated to us by Lotane and Associates. Since opening, hundreds of books have been shared with the residents of Orchid Lake."

"My 3-year-old son absolutely loved the first book received from Dolly Parton's Imagination Library program! He has been carrying it around with him daily and asks to read morning, noon, and night."
