

## **Ne'ilah Thoughts and Prayers to share**

The Ne'ilah service uniquely evokes introspection and spirituality. What are your hopes prayers for The Jewish Center Community, for our Country? for Israel? For the world at large?

We would like you to share these in writing with our Ne'ilah congregation. (Anonymously). Please submit your prayer, in no more than 4 succinct sentences, directly to Judi Fleitman ([yehuditfleit@gmail.com](mailto:yehuditfleit@gmail.com)).

Our plan is to scroll through these on video throughout our Ne'ilah service. Please know that your submission is subject to editing.

We thank you for your help and cooperation and look forward to hearing from you!

One last thing, if you know of members who do not have email, or do not receive our communications, we ask that you reach out to them and share this information. We will do our best to communicate but we would like to ask you to help as well.
