

To my chums,

I am determined to provide virtual access to St Stephen's Votive Shrine of the Blessed Mother.

Here is what to do:

1. Text or email me with a request to light a candle (see contact information below). If texting, be sure to include your name, as I may not have your phone number in my contacts.
2. Include any intention you are comfortable sharing with me and indicate whether it is public or private. Public prayers will be added to our published weekly list.
3. If you would like me to send you a photograph or two of your candle and the shrine, let me know and I will gladly do so. You can then forward these photos as you see fit and post them to social media, tagging @ststephenschurch.

I am also good for more than lighting candles (I hope!), so please keep in touch with me for any reason. I am eager to keep in touch with you.
