Announcement: An Important Business Update

Dear Valued Members of Our Community,

We are proud to share with our community that, effective April 2, 2026, Premier Candle US Corp. has acquired Mayfield Consumer Products LLC (MCP) and Mayfield Consumer Products Packaging Technologies LLC (MCPPT).

Since its founding in 1998, MCP has been a cornerstone of this community—recognized not only for producing high-quality candles, but for its deep commitment to craftsmanship, care, and meaningful local engagement. MCP’s legacy is one of resilience, strong relationships, and genuine investment in the people and community it serves.

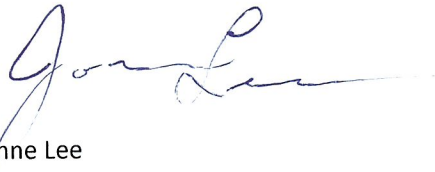

At Premier Candle US Corp., we hold a deep respect for what MCP has built. As a family-founded company with over 46 years of experience, we share a similar foundation rooted in quality, integrity, and long-term community commitment. This shared philosophy makes this partnership especially meaningful.

We are honored to carry forward MCP’s legacy and remain committed to preserving the community values that have defined the organization for nearly three decades. Our goal is to build upon this strong foundation—ensuring continuity while thoughtfully investing in future growth and innovation.

With a longstanding focus on candle manufacturing, Premier Candle US Corp. brings additional scale, operational expertise, and a continued emphasis on innovation. Together, we are well-positioned to strengthen our ability to serve both our customers and the broader community.

This acquisition represents not just a transition, but a continuation—one that respects the past while embracing future opportunity. We are grateful for the trust this community has placed in MCP and look forward to continuing that relationship for years to come.

Sincerely,

Joanne Lee
CEO
