

TurningPoint Provider Survey

We partner with TurningPoint to manage prior authorization requests for:

- Specific cardiovascular surgical procedures and cardiovascular diagnostics
- Specific orthopedic surgical procedures and spinal surgical procedures

On December 1, 2025, when you submit prior authorization requests to TurningPoint, you will be invited to participate in the **Annual TurningPoint Provider Survey**. Readex Research will email you a unique survey link. The survey should only take about 5 minutes to complete.

TurningPoint values your feedback. Your confidential input helps to support a positive provider experience.
