

Kidney Series Grand Rounds

Join the National Kidney Foundation of Michigan and Michigan State University College of Osteopathic Medicine to learn more on supporting excellence in kidney care and clinical practice.
All sessions will be presented from 12:15 - 1:15 PM.

Continuing Medical Education
College of Osteopathic Medicine
MICHIGAN STATE UNIVERSITY

Session 1: From Order to Outcome: Building CKD Testing into Daily Practice

Mary Wozniak, MPH, CHES | APRIL 8, 2026

- Implement team-based workflows to increase eGFR + uACR screening and documentation in high-risk patients.
- Use EHR tools to close testing gaps and align with kidney quality metrics.

Session 2: Improving CKD Screening & Detection in Primary Care

Heather Henderson, DO FASN FACP | May 6, 2026

- Identify high-risk populations and risk factors requiring CKD screening
- Apply eGFR and uACR testing guidelines for accurate staging and diagnosis

Session 3: Integrating CKD into the Cardiometabolic Continuum

Kim Pfothhauer, DO, FACOFP, DABOM | June 17, 2026

- Understand the connection between CKD, diabetes, hypertension, and cardiovascular disease.
- Integrate cardiometabolic risk reduction strategies into primary care practice

Session 4: Slowing CKD Progression: Medication Optimization

Chantale Daifi, PharmD, FNKF | July 15, 2026

- Use evidence-based therapies that slow CKD progression and reduce cardiovascular risk
- Adjust medications and avoid nephrotoxic drugs in CKD patients

Session 5: Managing CKD Complications: When to Watch and When to Refer

Ryann Sohaney, DO MS | August 19, 2026

- Recognize common CKD complications: hyperkalemia, anemia, and metabolic acidosis
- Interpret lab findings and identify appropriate nephrology referral timing

Session 6: Lifestyle Prescriptions for Kidney Health

Mary Neumaier, RD | September 16, 2026

- Implement nutrition, activity, and lifestyle strategies to slow CKD progression
- Use patient education tools to support behavior change and self-management
