

Update - Skin Substitute Grafts, Cellular and Tissue-Based Products for the Treatment of Diabetic Foot Ulcers and Venous Leg Ulcers Policy

Due to the Centers for Medicare & Medicaid Services delaying their coverage decision pending further consideration, we will not implement the following policy on May 1, 2025:

- *Skin Substitute Grafts, Cellular and Tissue-Based Products for the Treatment of Diabetic Foot Ulcers and Venous Leg Ulcers*

You can still refer to our existing policies:

- *Tissue-Engineered Skin Substitutes for Medicare Plan Members*
- *Tissue-Engineered Skin Substitutes for Members other than Medicare Plan Members*
